The Books of Ezra and Nehemiah Feb 25 2021 The books of Ezra and Nehemiah represent a significant turning point in biblical history. They tell the story not only of the temple in Jerusalem being rebuilt but also of God resurrecting his people from the death of exile. Hannah Harrington thus begins her commentary with an evocative description of these books as "the story of a new Israel forged out of the old" and "the text of a people clinging to their genealogical past and attempting to preserve their heritage while walking forward into uncharted territory." Throughout this commentary, Harrington combines analytical research on the language and culture behind the books of Ezra and Nehemiah with challenging thoughts for the Christian church today, bringing to bear a unique perspective on these books not as the end of Old Testament history but as some

of the earliest Jewish books written during the Second Temple period. Accordingly, Harrington incorporates a wealth of information from other Jewish literature from this time period to freshly illuminate many of the topics and issues at hand while focusing on the interpretation and use of these books for Christian life today.

Exalting Jesus in Ezra-Nehemiah Mar 29 2021 Edited by David Platt, Daniel L. Akin, and Tony Merida, this new commentary series, projected to be 48 volumes, takes a Christ-centered approach to expositing each book of the Bible. Rather than a verse-by-verse approach, the authors have crafted chapters that explain and apply key passages in their assigned Bible books. Readers will learn to see Christ in all aspects of Scripture, and they will be encouraged by the devotional nature of each exposition. Exalting Jesus in Ezra-Nehemiah is written by Jim Hamilton.

Ezra and Nehemiah Dec 14 2019 The Knowing the Bible series is a resource designed to help Bible readers better understand and apply God's Word. These 12-week studies lead participants through books of the Bible and are made up of four basic components: (1) reflection questions help readers engage the text at a deeper level; (2) "Gospel Glimpses" highlight the gospel of grace throughout the book; (3) "Whole-Bible Connections" show how any given passage connects to the Bible's overarching story of redemption, culminating in Christ; and (4) "Theological Soundings" identify how historic orthodox doctrines are taught or reinforced throughout Scripture. With contributions from an array of influential pastors and church leaders, these gospel-centered studies will help Christians see and cherish the message of God's grace on every page of the Bible. The books of Ezra and Nehemiah tell of God's steadfast love toward Israel after their return from exile. The Lord raised up Ezra and Nehemiah to reestablish the nation by rebuilding the temple and city walls and by turning the people back to his Word. In this 12-week study, Kathleen Nielson shows readers God's mercy and faithfulness demonstrated in the books of Ezra and Nehemiah, encouraging Christians toward sincere repentance and persevering hope. Part of the Knowing the Bible series.

Victory on the Walls Nov 05 2021 Thirteen-year-old Bani, though born in Jerusalem, has lived from infancy with his uncle in beautiful Susa, the city of the Persian King Artaxerxes. Now, his Uncle Nehemiah wants to leave his position of high honor as Cupbearer to the King to return to Jerusalem, a city in ruins and beset by every kind of trouble! Nehemiah's request of the king, permission to return to help his own people, could so easily—in an empire riddled with political intrigue—be misconstrued as treasonous scheming. Bani himself is given an unexpected part to play, the outcome of which is to forever change his life. Seen through the eyes of Bani, this novel dramatizes a turning-point of history, in 445 BC, when—through confrontation and daring risks—Judaism was re-established in the Promised Land, and purified for her unfolding mission.
