Technical Note No. 464. In contrast with the longitudinal upward curvature in the planing bottom forward of the main step on Model No. 11, the planing bottom of Model No. 11-A was made as flat as practicable. Otherwise, the two models have very nearly the same form. YOUR EMOTIONAL BOAT Lets pretend for a moment that you are a boat. So... what kind of boat would you be? Which boat would personify all of your characteristics? Your Emotional Boat utilizes the Myers-Briggs Personality Type Indicator and pairs each Myers-Briggs Personality type with a particular "boat" style. All of us travel through life, but some are more prepared than others. This book prepares the reader to approach life as if they are beginning a journey. The author uses the analogy of comparing "people" to "boats" to further enhance the development of the idea of preparing for a journey. How a person prepares for the journey through life depends upon the type of "boat" that they are. Your Emotional Boat will lead the readers through several techniques to help them learn more about themselves and what they want to create in their lives. Once the reader understands their own personal style, and has determined what they want to create in their lives, they will be guided in the process of making a "map" for their own personal journey. The latter half of the book encourages readers to look more closely at their own spiritual beliefs and to discover how these beliefs affect their lives. Give your brain the opportunity for serious regular exercise. Creative thinking.Deductive reasoning.Puzzle solving. There is one fact on which all experts of the brain agree – the brain benefits from regular exercise in much the same way as muscles do. In fact, the brain not only benefits from this training – it thrives on it. This book includes 1000 IQ Puzzles from THE master puzzle writer, Philip Carter, and is perfect for getting your brain working.
