Bobby: A Story of Robert F. Kennedy Nov 05 2021 From two-time National Book Award finalist Deborah Wiles comes a compelling biography of Robert Kennedy. Americans claimed Robert Kennedy as one of their own. They called him Bobby. Lyrical and evocative text by Deborah Wiles (Countdown, Revolution, Anthem, and Kent State) brings the story of Robert F. Kennedy to life, with breathtaking illustrations by Tatyana Fazlalizadeh. Bobby is set in 1968, with a grandfather telling his grandchild about Kennedy's life. Bobby was the younger brother of President John F. Kennedy. He became an accomplished public servant and activist in his own right. Though his run for presidency was tragically cut short on June 5, 1968, Bobby proved the value of empathy and grit. The story concludes as his funeral train makes its solemn journey from New York to Washington, DC. Kennedy was perceived by many to be a rare unifying force in American politics. He was beloved by Americans of all races for his integrity and devotion to the civil rights cause. His life continues to inspire efforts for social change. Deborah Wiles's Bobby will illuminate the importance of Robert Kennedy's life for children, parents, teachers, and librarians. Informative back matter is included.

Over his Godzilla pj's goes his rain slicker; onto his feet go his monster boots, and together he and Rachel head down the rocky path to the sea. On the way they discover many marvels--a screech owl calling to its mate, ghost crabs tunneling in the sand, and most incredibly, the luminous life that lights up the water. When they find a tiny firefly who has lost its way, they bring it home and release it back into the woods. At last, Rachel tucks Roger into bed, telling him he is "nature's brave protector." An afterword introducing young readers to Rachel Carson, and explaining bioluminescence, adds to the appeal of the book.

Kent State Jul 01 2021 From Derf Backderf, the bestselling author of *My Friend Dahmer*, comes the tragic and unforgettable story of the Kent State shootings† On May 4, 1970, the Ohio National Guard gunned down unarmed college students protesting the Vietnam War at Kent State University. In a deadly barrage of 67 shots, 4 students were killed and 9 shot and wounded. It was the day America turned guns on its own children—a shocking event burned into our national memory. A few days prior, 10-year-old Derf Backderf saw those same Guardsmen patrolling his nearby hometown, sent in by the governor to crush a trucker strike. Using the journalism skills he employed on *My Friend Dahmer* and *Trashed*, Backderf has conducted extensive interviews and research to explore the lives of these four young people and the events of those four days in May, when the country seemed on the brink of tearing apart. *Kent State: Four Dead in Ohio*, which will be published in time for the 50th anniversary of the tragedy, is a moving and troubling story about the bitter price of dissent—as relevant today as it was in 1970.

John Henry swims better than anyone I know. He crawls like a catfish, blows bubbles like a swamp monster, but he doesn't swim in the town pool with me. He's not allowed. Joe and John Henry are a lot alike. They both like shooting marbles, they both want to be firemen, and they both love to swim. But there's one important way they're different: Joe is white and John Henry is black, and in the South in 1964, that means John Henry isn't allowed to do everything his best friend is. Then a law is passed that forbids segregation and opens the town pool to everyone. Joe and John Henry are so excited they race each other there...only to discover that it takes more than a new law to change people's hearts.
