*The Solicitors Office Procedures Manual will enable law firms and other organisations regulated by the Solicitors Regulation Authority to meet their compliance needs through one easy-to-use source. Whatever your type or size of practice the ‘mix and match’ approach adopted by this book will enable users to address any or all of the following: The SRA Code of Conduct 2011 and other key elements of the SRA Handbook Lexcel version 6 The procedural elements of the Law Society’s Conveyancing Quality Scheme The Specialist Quality Mark (2012 edition) The Legal Aid Agency’s contract – Crime, Family and Civil Since it was first published in 2012 the Solicitors Office Procedures Manual has helped many hundreds of law firms to develop or update their practice manuals and compliance documentation. The second edition addresses the various recent changes which have affected the legal profession and addresses the new version of Lexcel (version 6) which has been in force since the 1st May 2015. The Solicitors Office Procedures Manual is written by Vicky Ling and Matthew Moore. Vicky is a Lexcel consultant who specialises in the requirements of legal aid funding within law firms and Matthew is a solicitor in private practice who is also a director of Infolegal Ltd – a law firm management and compliance consultancy. This Manual contains a series of Lexcel approved procedures from which solicitors can prepare a manual for their firm. It will be invaluable for firms planning to seek or retain Lexcel accreditation and will be equally helpful to practices looking to improve their office management procedures. Readers of previous editions will find that the sample procedures have been completely revised. The contents have also changed to reflect the revised sections of the Law Society’s Lexcel Practice Management Standard: Firmwide policies; Planning; Financial management; Facilities and information technology;*

*People management; Supervision and risk management; Client care; Case and file management* The practical nature of the Manual is enhanced by an accompanying CD-ROM which enables you to tailor each of the templates in the book to suit the requirements of your firm. Now in a fifth edition, *Accounting Policies and Procedures Manual: A Blueprint for Running an Effective and Efficient Department* is a how-to guide on creating an effective and efficient accounting department policies and procedures manual. Written by Steven Bragg, the foremost authority in accounting and controllership issues, the new edition includes: A new, complimentary Web site providing readers with the foundation for creating or enhancing their accounting department policies and procedures manual More coverage of accounting procedures including inventory, billing, cash receipts, pricing, order entry, credit, collections, sales returns, capital budgeting, cash forecasting, payroll, and closing the books *Accounting Policies and Procedures Manual* is the tool every accounting department needs to regularize and systematize its procedures to match the best in the industry. The Lexcel quality standard has been revised and will come into force in 2008. Lexcel is ideal for firms seeking to achieve demonstrative excellence in practice management. The Law Society's official guides have been comprehensively updated in line with the new standard to help you understand the changes, and to attain and retain accreditation. They are also suitable for firms simply aiming to improve practice efficiency and profitability. This book offers template procedures to enable firms to draft and enforce policies and documentation to aid compliance. The templates are included on the accompanying free CD-ROM to enable quick and easy customisation. Also available as part of the Lexcel Practice Excellence Kit 4th Edition (along with the Lexcel Assessment Guide

*4th Edition). Red Shoe Real Estate's Policy and Procedures Manual. This step-by-step guide is the key to developing a tailor-made office procedures manual, containing everything from client data sheets and docket control systems, to employee benefits and file management policies. In addition, the entire text is included on CD-ROM for easy customization. This concise, easy-to-use manual presents the most current and safe anesthesia formulas, protocols, and guidelines for office-based surgical procedures. It offers guidance on how to set up and maintain a safe office-based anesthesia practice in line with standards of the American Association for Accreditation of Ambulatory Surgery Facilities, the American Society of Anesthesiologists, and the American Medical Association. The book covers all procedures commonly performed in an office setting, including cosmetic surgery, dentistry, ophthalmology, obstetrics and gynecology, gastrointestinal endoscopy, and post-bariatric surgery. This manual helps medium and large law firms increase productivity by providing a model manual for law office policies and procedures. The book, an updated and expanded version of the previous (fourth) edition, is divided into seventeen sections, covering such topics as law office organization, management, and administration, support personnel, office policies, personnel policies and benefits, office security and emergency procedures, financial management, file systems, technology, and communications systems. The book contains numerous sample forms and documents, as well as extensive bibliographies.
