Kelly) 225 NY 649 (Andrews v. Pierson) 225 NY 625 (Apex Leasing Co. v. Litke) 225 NY 631 (Assets Collecting Co. v. Myers) 225 NY 631 (Assets Collecting Co. v. Myers) 225 NY 645 (Bischofsky v. Wohl)

SECRET PRINCE OF MANHATTAN Jul 14 2022 An unusual warming trend brought an early spring in New York City in 1988, causing nature to awaken with trees and plants already beginning to bloom. This unique weather also awakens a junior business executive, who was recovering from a tragic loss in his life. The story reminds us that losing a loved one can be tragic and life-changing, even if you live in the tall towers or cold streets below. Sometimes even a stranger can help one find their way back from sorrow to peace. This businessman found guidance from an unusual friend who helps him appreciate his life. Brent's awakening that stirred up his desire to embrace and start a new journey. Now he would have to uncover the secrets about his heritage. First, he must clear his mind so time can reveal the truth. The reader will find other characters who inspire Brent to move forward, to allow his heart to mend, and seek out the missing puzzle pieces of his heritage. With his mother gone, someone will reveal the family secrets, while Brent goes forward to reveal his destiny.

The Manhattan Hunt Club Nov 18 2022 Falsely convicted of a brutal crime, college student Jeff Converse sees his future vanishing before his eyes. But someone has other plans for Jeff, in a far deadlier place than any penitentiary. Jeff finds himself beneath the teeming streets of Manhattan, in a hidden landscape of twisting tunnels and forgotten subterranean chambers. Here, an invisible population of the homeless, the desperate, and the mad has carved out its own shadow society. But they are not alone. For someone has made this forsaken civilization a private killing ground. Now, with no weapon but his wits, and an unimaginable threat lurking around every dark corner, Jeff must somehow move heaven and earth to escape from a living hell. . . .

Waterfront Manhattan Nov 06 2021 "Rich in historical, sociological, and economic detail . . . a new way to look at the ascendancy and growth of America's most important city." —Civil Engineering With its maritime links across the oceans, along the Atlantic coast, and inland to the Midwest and New England, Manhattan became a global city and home to the world's busiest port. It was a world of docks, ships, tugboats, and ferries, filled with cargo and freight, a place where millions of immigrants entered the Promised Land. In *Waterfront Manhattan*, Kurt C. Schlichting tells the story of the Manhattan waterfront as a struggle between public and private control of New York's priceless asset. From colonial times until after the Civil War, the city ceded control of the waterfront to private interests, excluding the public entirely and sparking a battle between shipping companies, the railroads, and ferries for access to the waterfront. In the second half of the nineteenth century, the City of New York regained control of the waterfront, but a whirlwind of forces beyond the control of either public or private interests—technological change in the form of the shipping container and the jet airplane—devastated the city's maritime world. The city slowly and painfully recovered. Visionaries reimagined the waterfront, and today the island is almost completely surrounded by parkland, the world of piers and longshoremen gone, replaced by luxury housing and tourist attractions. *Waterfront Manhattan* is "an impressive narrative which is sure to shed light on this underappreciated aspect of New York City history" (*Global Maritime History*). "An important book. There is much to ponder on the future of New York City's harbor." —*Journal of American History*

The Rebuilding of Lower Manhattan Jun 13 2022

Mannahatta Oct 17 2022 On September 12, 1609, Henry Hudson first set foot on the land that would become Manhattan. Today, it's difficult to imagine what he saw, but for more than a decade, landscape ecologist Eric Sanderson has been working to do just that. *Mannahatta: A Natural History of New York City* is the astounding result of those efforts, reconstructing in words and images the wild island that millions now call home. By geographically matching an 18th-century map with one of the modern city, examining volumes of historic documents, and collecting and analyzing scientific data, Sanderson re-creates the forests of Times Square, the meadows of Harlem, and the wetlands of downtown. His lively text guides readers through this abundant landscape, while breathtaking illustrations transport them back in time. *Mannahatta* is a groundbreaking work that provides not only a window into the past, but also inspiration for the future.

New York Then and Now Dec 19 2022 Pairing classic archive photos with their modern viewpoint, New York Then and Now shows the dramatic changes that have transformed the city that never sleeps. The latest version of Pavilion's top-selling North American title New York Then and Now has been fully revised and updated for 2019. Photographed by one of the city's leading architectural photographers and authored by the doyenne of popular New York histories, Marcia Reiss, the book shows the everchanging nature of the city's streetscapes. All the familiar New York landmarks are included, starting with Governors Island and Liberty Island with Liberty Enlightening the World, then moving inland from Castle Clinton and Battery Park through Manhattan to Central Park and beyond. There are the sites that have hardly changed in the last century (Ellis Island, US Custom House, Wall Street, Central Park), there are those that have disappeared entirely (Pennsylvania Station, Waldorf Astoria, the Singer Building), and there are those that never stop changing from week to week (Times Square). This latest version for 2019 includes more vintage color, along with new "Now" photography to bring the title right up to date.

I'll Take Manhattan Sep 16 2022 In the high-stakes world of magazine publishing, Judith Krantz weaves a dazzling tale of love and betrayal, and creates her most joyous character—sensational Maxi, an uninhibited woman who unexpectedly discovers that her talent for life is matched by a hunger to succeed. Gorgeous, flamboyant Maxi Amberville is twenty-nine and has already discarded three husbands on two continents. Life is a stream of endless pleasure in her lavish Trump Tower apartment—until her widowed mother married a man who plots to sell her father's magazine empire. And Maxi turns her incredible lust for living into a passionate quest for power. Maxi takes over the small weekly Buttons And Bows. She gathers her hot-blooded ex-husband, sassy daughter and a coterie of the powerful elite. Then, risking all, Maxi creates B&B—the glitziest, ritziest, most successful fashion magazine in the country. Here is a dramatic, sizzling story of love, family, ambition and one unforgettable woman who gives life and love everything she has.

Four Streets and a Square: A History of Manhattan and the New York Idea Aug 15 2022 From a Sibert Medalist comes the epic story of Manhattan—a magical, maddening island “for all” and a microcosm of America. A veteran nonfiction storyteller dives deep into the four-hundred-year history of Manhattan to map the island’s unexpected intersections. Focusing on the evolution of four streets and a square (Wall Street, 42nd Street, West 4th Street, 125th Street, and Union Square) Marc Aronson explores how new ideas and forms of art evolved from social blending. Centuries of conflict—among original Americans and Europeans, slavers and the enslaved, rich and poor, immigrants and native-born—produced segregation, oppression, and violence, but also new ways of speaking, singing, and being American. From the Harlem Renaissance to Hammerstein, from gay pride in the Village to political clashes at Tammany Hall, this clear-eyed pageant of the island’s joys and struggles—enhanced with photos and drawings, multimedia links to music and film, and an extensive bibliography and source notes—is, above all, a love song to Manhattan’s triumphs.

Ghost Town Feb 21 2023 A man is haunted by the memory of his mother with a rope round her neck. It is the American War of Independence, and having defied the British forces occupying New York she must pay for her revolutionary activities. But fifty years on her son harbours a festering guilt for his inadvertent part in her downfall. In thrusting nineteenth-century New York, a ruthless merchant's sensitive son is denied the love of his life through his father's prejudice against the immigrants flooding into the city - and madness and violence ensue. In the wake of 9/11, a Manhattan psychiatrist treats a favoured patient reeling from the destruction of the World Trade Center, but fails to detect the damage she herself has sustained. In this trio of stunning tales from a master storyteller, Patrick McGrath excavates the layers of New York's turbulent history.

The Phantom of Manhattan Mar 10 2022 The stunning continuation of the timeless classic *The Phantom of the Opera*. In *The Phantom of Manhattan*, acclaimed, bestselling suspense novelist Frederick Forsyth pens a magnificent work of historical fiction, rife with the insights and sounds of turn-of-the-century New York City, while continuing the dramatic saga which began with Gaston Leroux's brilliant novel *The Phantom of the Opera*... More than two decades have passed since Antoinette Giry, the mistress of the corps de ballet at the Paris Opera, rescued a hideously disfigured boy named Erik from a carnival and brought him to live in the labyrinthine cellars of the opera house. Soon thereafter, his intense, unrequited love for a beautiful chorus girl set in motion a tragic string of events, forcing him to flee Paris forever. Now, as she lies dying in a convent, Madam Giry tells the untold story of the Phantom and his clandestine journey to New York City to start anew, where he would become a wealthy entrepreneur and build the glorious Manhattan Opera House...all so he could see his beloved, now a famous diva, once again. But the outcome of her visit would prove even more devastating than before-- and yet, would allow the Phantom to know, for the first time in his brutal life, the true meaning of love...

Five Points Feb 09 2022 The very letters of the two words seem, as they are written, to redden with the blood-stains of unavenged crime. There is Murder in every syllable, and Want, Misery and Pestilence take startling form and crowd upon the imagination as the pen traces the words." So wrote a reporter about Five Points, the most infamous neighborhood in nineteenth-century America, the place where "slumming" was invented. All but forgotten today, Five Points was once renowned the world over. Its handful of streets in lower Manhattan featured America's most wretched poverty, shared by Irish, Jewish, German, Italian, Chinese, and African Americans. It was the scene of more riots, scams, saloons, brothels, and drunkenness than any other neighborhood in the new world. Yet it was also a font of creative energy, crammed full of cheap theaters and dance halls, prizefighters and machine politicians, and meeting halls for the political clubs that would come to dominate not just the city but an entire era in American politics. From Jacob Riis to Abraham Lincoln, Davy

Crockett to Charles Dickens, Five Points both horrified and inspired everyone who saw it. The story that Anbinder tells is the classic tale of America's immigrant past, as successive waves of new arrivals fought for survival in a land that was as exciting as it was dangerous, as riotous as it was culturally rich. Tyler Anbinder offers the first-ever history of this now forgotten neighborhood, drawing on a wealth of research among letters and diaries, newspapers and bank records, police reports and archaeological digs. Beginning with the Irish potato-famine influx in the 1840s, and ending with the rise of Chinatown in the early twentieth century, he weaves unforgettable individual stories into a tapestry of tenements, work crews, leisure pursuits both licit and otherwise, and riots and political brawls that never seemed to let up. Although the intimate stories that fill Anbinder's narrative are heart-wrenching, they are perhaps not so shocking as they first appear. Almost all of us trace our roots to once humble stock. Five Points is, in short, a microcosm of America.

A Soldier of Manhattan; a Romance of the Revolution Jan 16 2020 This historic book may have numerous typos and missing text. Purchasers can usually download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1906 edition. Excerpt: ... CHAPTER XI. A FLIGHT AND A FIGHT. "He is dead, Zebedee! Look, he is covered with blood! We were too late!" "Dead nothin'! Drag him up an' give him a good shake! Hurry! we've got to be quick!" Culverhouse's strong hand was in the collar of my hunting shirt. He jerked me to a sitting posture, and shook me so violently that he shook all the dizziness out of me. "Grab your gun," said Zebedee, "an' come on! We was just in time then, an' we've got to run for it yet." The boy was rapidly reloading his rifle as he spoke, and I dimly comprehended what had happened. The dead Indian lying at my feet with a clean round hole in his temple was sufficient explanation. I seized my rifle, and, shuddering as I took a last look at the fallen warrior, darted away to the south, close behind Zebedee and Culverhouse. "You have him to thank for not being in the Indian's place," said Culverhouse between panting breaths, and nodding at Zebedee. "It was one of the neatest shots I ever saw, and at long range, too." Then he asked Zeb what he meant to do. The boy made no reply. Culverhouse repeated the question. "Shut up!" said Zeb. "This ain't no time to bother me with questions." "You must not talk to me in that manner," said Culverhouse with some choler. "I am an officer, and I am older than you." "Shut up, I tell you!" repeated Zeb emphatically. "Just now I'm more'n a hundred years older than you are." Culverhouse asked no more questions. When we had run about a half mile, we stopped for a moment on the crest of a little hill. Then we heard a cry, shrill and rising higher and higher, until its piercing note seemed to fill the wilderness. Then it sank down in a long, throbbing quaver. The cry expressed triumph and anger, and was of such uncanny tone that I could...

New York Magazine Jul 22 2020 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.
