The Higher Reality of Business The health of business is inextricably linked with the health of humanity and nature. But our current approaches to leadership treat business as entirely separate—and the result has been recurring economic, environmental, and human crises. In this extraordinary book, Ram Nidumolu uses evocative parables and stories from the ancient Indian wisdom texts, the Upanishads, to introduce Being-centered leadership. This new kind of leadership is anchored in the concept of Being, the fundamental reality that underlies all phenomena. Being-centered leaders are guided by an innate sense of interconnection—the good of the whole becomes an integral part of their decisions and actions. Using the experiences of over twenty trailblazing

CEOs, as well as those from his own life, Nidumolu describes a four-stage road map every aspiring leader can use to reconnect business to the wider world—to the benefit of all. The result of more than twenty years of study and practical application by World Thought Leader and featured expert for The Secret, James Ray's Harmonic Wealth is based on extensive study of ancient wisdom traditions, cutting-edge findings in quantum physics and other scientific fields, not to mention years of hands-on, hard-won experience. Let this sought-after teacher show you what he's discovered about the secrets of attracting more than you've ever thought possible. Learn how to: Heighten your creativity, intelligence, intuition, and mental functioning. Deepen your personal relationships and ramp up your ability to attract the people you want in your life. Achieve financial freedom. Maximize your health and energy, and amplify your physical strength. Free yourself from unconscious limitations.

Vanquish the fears that have kept you stuck, kept you from knowing and owning that you deserve the best. If you've been having trouble with the Law of Attraction, you'll quickly learn the missing keys. Harmonic Wealth will reveal the formula for success in the Five Pillars: financial, relational, mental, physical, and spiritual. You'll see why having anything less than success in all of Five Pillars will never bring you true wealth, and you'll learn how to go 3 for 3 . . . how to have your thoughts, feelings, and actions working together in complete alignment. With these factors firing together, you'll create everything you desire and deserve. Harmonic Wealth encourages you to get real and get creative about how to achieve your goals . . . and then walks you step by step through the blueprint for their attainment. Stop playing it safe. Stop living in fear. Start living in harmony right now, and know that everything you want is within your reach. Is it possible to believe in both God and the law of attraction? Isn't

this all just some New Age, "power of the mind" thing? If the law of attraction works, why isn't it in the Bible - or is it? Questions like these are being asked by people around the world after reading the best-selling book, The Secret. According to the law of attraction, you can have virtually anything desired if your mind is trained to put out continual thoughts to attract it into your life. In this deeply compelling work, Ed Gungor seeks to establish a more complete and accurate representation of the power of the mind by explaining the role that God plays in the equation. This book is not written to attack but rather to examine what the author believes is misguided advice while still speaking to the heart-felt need that is causing so many to explore this ancient practice. Some of his views may surprise you. There is more to the story that must be told. 3500 120 • X •

And it's easier than you think. Simple but powerful questions for self-inquiry and effective techniques will empower you to gently let go of what, just a moment ago, seemed like an unsolvable issue or overwhelming emotion—anything from anger and frustration to fear, anxiety, and stress. You'll learn how to apply easy-to-use practices for letting go—including Holistic Releasing, Triple Welcoming, and others—to find more joy and peace of mind in every area of your life. In each chapter, renowned teachers Lester Levenson and Hale Dwoskin (New York Times best-selling author of *The Sedona Method*) offer life-changing opportunities to break free from self-imposed blocks and rediscover the real, unlimited you—and the ultimate happiness that is your

birthright. Their combination of liberating insights, inspiration, and deep releasing explorations make this book a treasured companion for anyone who is seeking to navigate everyday life with greater ease, clarity, and sense of true purpose. "One of my most treasured books that changed my life is Lester's *Keys to the Ultimate Freedom*. It features Lester's words and insights drawn from decades of his teachings, and it is the only book that sits on my bedside table. Unfortunately the book has been out of print for a long time, but Hale Dwoskin has taken all of Lester's teachings from *Keys to the Ultimate Freedom* and put them in this new book, along with many of the releasing methods from the Sedona Method. You have the best of Lester's teachings and his methods in this one book, and if freedom and joy are what you seek, I couldn't recommend this book more. I used the Sedona Method occasionally over a ten-year period and found enormous benefit from it. Then, when I

met my teacher -- who was a student of Lester Levenson's -- four years ago, Lester's releasing methods became a crucial part of my everyday life and my awakening." -- From the forward by Rhonda Byrne, New York Times best-selling author of *The Secret* and *The Greatest Secret* "Happiness is about remembering who you really are, and if you have forgotten, this book is an excellent reminder." —Deepak Chopra, author of *The Seven Spiritual Laws of Success* "If the roots of all suffering are attachments to the external, the roots of true joy are found only within. EXCERPT FROM THE BOOK

The Secret is a self-help book about the power of positive thinking by Rhonda Byrne. The book is based on a pseudo-scientific theory called the law of attraction the principle that like attracts like. Specifically, Byrne focuses on the idea that your dreams do in fact come true thinking about money and wealth will attract these very things, causing them to manifest in your life. Likewise, fretting over a worst-case scenario will only cause your fears to be realized. Hence the importance of positive thinking. There are no accidents and bad luck. Instead

Byrne writes, Your life right now is a reflection of your past thoughts. Throughout the book, Byrne intersperses quotes from proponents of the law of attraction, such as Jack Canfield, creator of the Chicken Soup for the Soul series. These experts believe the law to be supported by quantum physics, arguing that it is a law of nature like gravity. According to Byrne, the mind is a magnet, emitting and receiving frequencies to and from the Universe. Each thought sends out a signal, which in turn gathers similar frequencies due to the law of attraction before returning back to you. In this fashion, your mind can bring you anything you desire dream of a new house, and somehow, somehow, it will come to you. On the flip side, dwelling on war and poverty will only perpetuate these evils. Byrne even proposes that too much negative thinking can put you in the path of a natural disaster or terrorist attack. The rest of the book explores different methods of using the law of

attraction to your advantage. The primary technique is ask, believe, receive. This process involves imagining what you desire and pretending that you already have it. For example, Byrne suggests filling out a fake check and pretending to buy all the things you've always wanted. Doing so, she says, will make you wealthy. Buy a copy to keep reading! ABOUT OF THE ORIGINAL BOOK "The Secret" is one of the most requested books in recent years. In it, the author reveals

the key to success, power, and prosperity. It addresses the importance of positive thinking, a condition that has been known for thousands of years, and one to which many gurus and writers have dedicated their research and work. This is the "Law of Attraction", which postulates that positive thoughts attract a life of happiness and prosperity. That is the secret. The synthesis of this argument is that the universe responds to the desires of each individual, whether positive or negative, so we will receive what we desire and think about. This is a work of personal improvement that can change people's lives. The reflections and affirmations it presents allow the attraction of joy and harmony into the lives of those who are willing to follow its suggestions. The road to achieving all of the things that you want will be in your hands, and your dreams will come true. -ABOUT SAPIENS EDITORIAL

Books are mentors. Books can guide what we do and our lives. Many of us love

books while reading them and maybe they will echo with us a few weeks after but 2 years later we can't remember if we have read it or not. And that's a shame. We remember that at that time, the book meant a lot to us. Why is it that 2 years later we have forgotten everything? That's not good. But, that means that no matter if your desire is good or bad, just or unjust, these LAWS can be used to manifest it. So, the author asks that if you READ this book, please use these Laws to only manifest desires that are PURE, POSITIVE and GOOD...Or, do NOT READ IT! When The Author First Stumbled Upon These Laws He Was 21 Years Old, Had No Clue He Was Using Them, And Was In Charge Of \$14.4 Million Dollars In Investments. Joseph graduated college in about half the time of everyone else, and shortly after found himself working for the largest privately held investment firm in the world, with his own branch, his own assistant, and in charge of \$14.4 million dollars for his investors. Although... because he wasn't CONSCIOUSLY aware of the Laws he was using to his

advantage, he ended up peaking, and started to lose clients left and right. That is until he lost his biggest client, Chris, and decided it was time to quit. BUT, once he started to study ancient Scriptures and Texts, he stumbled upon these Laws of Manifestation and started bending the Universe to work in his favor. And now that he KNOWS what was REALLY going on when he manifested both his rise and fall, he has included that knowledge in "See It, Feel It, Have It" for the people that are ready to see it. He has done this as a way for people to have a lot of the same success he's had in manifesting desires, without most of the failure. If you desire to find the ANSWERS you've been looking for, by reading the book right now you'll find them inside. But, like stated previously, what Joseph teaches within are LAWS. And the nature of a Law is that they operate whether your desires are GOOD or BAD. So, only read this book if you're going to use it to manifest the GOOD and POSITIVE in your

life, or please, don't read it at all.
