Who else wants their dream book written today? If you can speak out loud, then YOU have what it takes to become a lightning-fast, bestselling author. Most people dream of writing a book, but those manuscripts end up shoved away in dusty drawers, half-finished and abandoned to be eaten by moths. Many of them are great writers, many of them have great ideas. Yet so many people come to the conclusion that they'll never finish their books. Why? Because they aren't following a proven system. Maybe this is you right now.

Maybe you believe that you're not good enough, that you'll never have enough time, or that it's a terrible book idea. You wonder how on earth other people manage to find time to write alongside their jobs, family and other commitments. But the assumption that writing is a slow process and books take six months or years to write is outdated. You can easily increase your efficiency three to four times MORE by using this system. As much value as there is in quality, quantity also plays a significant factor. The days where you need to have access to expensive or special equipment are gone. And one of the fastest ways to become profitable as an author nowadays is to write faster. Let me show you how you can hit the finish line at record speed. Every. Single. Time. This is the same system that allows me to spend more time with my family, earn more money and accomplish four times the amount of work in the same eight hours a day. It's allowed me to release books on an exponential scale, to set goals of writing fifty books per year. This book was written using the same strategy. It can be done. And now you can do the same. This ISN'T a book you read for inspiration and walk away feeling good. This is a book about taking ACTION. I want you to be generating MORE CONTENT THAN YOU EVEN NEED. What you will walk away with... Learn The Conveyor Belt Method: The step-by-step process which will give you an unshakeable FOUNDATION for your writing career Become One With Your Creative Mind: How to become so efficient with your methodology that you can AVOID writer's block entirely Master Your Location Independence: The secret writing anytime and ANYWHERE you want! Harness Your Long Term Sales: Get the exact ingredients you need to capture your readers for good and turn them into lifelong fans! Imagine if... Writing books was no longer a struggle and you could churn out bestsellers on a whim You could write a book in your spare time and don't need to fight against your other commitments You could come up with an idea in the morning, plan out your content and have your first draft FINISHED by the afternoon! Don't let your book rot in a drawer like all the rest. Your time is NOW. You could have the book you've always dreamed of writing in your hands TODAY. Begin your journey by clicking the button above. The study of wave propagation seems very remote to many engineers, even to those who are involved in structural dynamics. I think one of the reasons for this is that the examples usually taught in school were either so simple as to be inapplicable to real world problems, or so mathematically abstruse as to be intractable. This book contains an approach, spectral analysis, that I have found to be very effective in analyzing waves. What has struck me most about this approach is how I can use the same analytic framework to do predictions as well as to manipulate experimental data. As an experimentalist, I had found it very frustrating having my analytical tools incompatible with my experiments. For example, it is experimentally impos sible to generate a step-function wave and yet that is the type of analytical solution available. Spectral analysis is very encompassing - it touches on analysis, numerical meth ods, and experimental methods. I wanted this book to do justice to its versatility, so many subjects are introduced. As a result some areas may seem a little thin and I regret this. But I do hope, nonetheless, that the bigger picture, the unity, comes across. To encourage you to try the spectral analysis approach I have included complete source code listings to some of the

computer programs mentioned in the text. Are ideas continually streaming through your mind that you just have to capture on paper? Do they sometimes visit you in the middle of the night, during a long drive in your car, when you're most relaxed, or even at the most inconvenient of times? If any of the above is true, you were born to write, and it is for persons such as you that *You Were Born to Write* was written. This life-changing book shows you how to tap in, at will, to that infinite source of inspiration and expression, and to release easily, fluently, and enjoyably whatever it is within you that seeks to be brought to life on paper. "My husband couldn't believe that within one week of finishing the Intensive Writer's Retreat with Tom Bird that I had finished my first book," says Debbie Kowalsky of Hollywood, Florida. *You Were Born to Write*, which is actually two books in one, shows you how to accomplish results such as these for yourself. In the first portion of the book, you will learn how your life and educational experiences have actually kept you from the natural act of expressing yourself meaningfully, passionately and with a purpose through your writing. As well, this portion of *You Were Born to Write*, outlines seventeen life-changing Writing Principles, to show you how to remove these inappropriate influences and then how to return to that most natural of all states. Then in the second and last portion of *You Were Born to Write*, you will be shown how to utilize what you have learned to write anything you want in record time and with the degree of depth, passion, and purpose that, before the reading of this book, you could have only dreamt of. Your achievements will include the writing of a book within thirty days or less. Like so many of us, Tom Bird felt drawn to write. However, even after employing the orthodox methods for writing as well as for getting published, he was met with mostly frustration and rejection. After realizing that the reason for his failure lay not with a lack of talent, commitment, or desire on his end, Tom decided to design his own strategy for releasing the author within himself and for getting his writing into print. This design eventually became known as *The Tom Bird Method T*. After employing his methods, Tom met with almost instant success, culminating in the sale of his first book at the age of twenty-six. Since then, Tom has published fifteen other books and toured the country, making more than over 3,000 lectures at over 100 different college and university campuses, sharing his methods with as many aspiring writers as possible. At present, Tom continues to teach and lecture, and lives in Sedona, Arizona, with Tammy Kelley, their daughter Skyla, and their two dogs, five cats, and two birds. Everyone thinks about doing it, yet most people who do start a novel end up stalling after a few chapters. Where do these would-be novelists go wrong? Are the characters dull and cliched? Did the story arc collapse? Did they succumb to a dreaded bout of "writer's block"? Or maybe it was all just taking too long? These problems used to stop writers in their tracks, but nothing will get in your way after reading *Write Your Novel in a Month*. Author and instructor Jeff Gerke has created the perfect tool to show you how to prepare yourself to write your first draft in as little as 30 days. With Jeff's help, you will learn how to organize your ideas, create dynamic stories, develop believable characters, and flesh out the idea narrative for your novel--and not just for the rapid-fire first draft. Jeff walks you through the entire process, from initial idea to the important revision stage, and even explains what to do with your novel once you've finished. Whether you are participating in National Novel Writing Month or you're simply hoping to complete a draft over winter break or your vacation, this book covers the entire scope of writing a novel and lays out exactly what you need to know to get it done fast and right. Nik Morton has been writing for over forty years, honing his craft. He writes genre fiction, whether that's science fiction, horror, crime, thriller, romance or westerns. To date he has 15 books under several pseudonyms. His westerns are usually written under the name Ross Morton. Within these pages you can discover how to write a western from the initial ideas, through the preparation and research, to those all-important character studies and plots. And you can do it in 30 days! *How to Get Over a Broken Heart? Try Journaling. It's an Effective, Proven Method of Releasing Pain on Paper.* When it's down on the page, you can examine your emotions with more rationality. A journal is a safe place to express your honest thoughts and emotions without the risk of judgment from others. As you follow these writing prompts, you'll find that inner part of your soul emerging to guide you and give you the answers you didn't think you had. You'll begin to understand why your relationship didn't work out, as well as uncover some of the insecurities and blockages to your happiness, and how to find the gifts and lesson in your current state of pain and recovery. Coping with a breakup or

divorce is a challenging time and everyone heals at their own pace. This book gives you **30 journal prompts to get to the heart of the matter and help you speed up the recovery process**. Each one begins with an inspirational quote from great men and women of the past and present. You can do the journal prompts consecutively, or you can pace them by taking breaks between the days if you find the work to be emotionally heavy. A relationship consists of two people, which is why this book is divided into two sections: 15 prompts about your ex, and 15 that focuses on you. By doing this work, you'll be taking the steps to: ?Let go of your ex ?Uncover what made you incompatible ?Why you were attracted to him in the first place ?Analyze your true beliefs about love ?How to be more positive in love and in life ?Find out what REALLY makes you happy in a romantic relationship ?How to take care of yourself and fulfill your own happiness and be less needy ?How to create a healthy, inter-dependent relationship the next time around Whether it's letting go of a first love or healing from a nasty divorce, letting go of an ex is the first step in attracting your TRUE soulmate into your life. Buy the book and get started with this work today. All of the greatest creators, from Beethoven to Edison, had something in common. They didn't just create stuff. They created a ton of stuff. That's why I'm a big believer that producers should produce more, directors should direct more, and, of course, writers should write more. The funny thing is, too many writers I know just can't finish a script. Maybe they have ideas, and maybe they write a few scenes, but they don't get to the end. Or maybe they've never written anything and are too afraid to start! That's why I wrote this book, which guarantees you'll have a finished script, whether or not you've ever written anything before! That's right. In only one month, you can go from a blank page to a completed script, ready to be staged. Just imagine . . . you'll have a full script in your hands (or a Producer's hands) by the end of this month if you start today! So what are you waiting for? Set includes revised editions of some issues. **THE ALL-IN-ONE SOLUTION FOR YOUR HIGHEST POSSIBLE SCORE!** Get all the prep you need for your best score on the GRE with The Princeton Review, including 6 full-length practice tests, thorough topic reviews, and exclusive access to our online Premium Portal with tons of extra practice and resources. **Techniques That Actually Work.** - Powerful tactics to avoid traps and beat the test - Step-by-step problem-solving guides - 9 strategies to maximize time and minimize errors **Everything You Need to Know for a High Score.** - Expert subject review for all test topics - Bulleted chapter summaries for quick review - Extensive GRE vocabulary list featuring key terms and exercises **Practice Your Way to Perfection.** - 6 full-length practice tests with detailed answer explanations (2 in the book; 4 online) - Drills for each test section--Verbal, Math, and Writing - Thorough score reports for online tests **Plus, with Cracking the GRE, Premium Edition** you'll get online access to our exclusive Premium Portal for an extra competitive edge: - Key info about grad school admissions, testing calendars, and financial aid - Video tutorials that break down strategies for each section of the GRE - Multi-week study plan guides - Examples of successful b-school essays and interviews with admissions officers - Special "GRE Insider" section packed with helpful info about grad school admissions, application requirements, and more **What can you accomplish in 30 days?** If you make time to write and put away all of

But there is also always some reason in madness." - Friedrich Nietzsche Are you holding imagery conversations with your ex in your head? Ones where you get to say what you didn't get to say when your relationship ended? Obsessing over what should have been is unhealthy and sucks the positive energy out of you. It's exhausting to be fighting with him, even mentally, but the urge to communicate with him is so strong that you want to pick up the phone (again) and speak your mind. Do not contact him. He hurt you. Don't give him the chance to hurt you again. Write down your feelings in your journal instead. What do you blame him for? What do you want to say to him? Are you angry with him? Do you miss him? Use as many pages as you want. Pretend you're writing a letter directly to him. But do not send it. Do not contact him and read it out loud to him. Doing so will greatly risk you being trapped in the same cycle of negativity. This should be a safe experience to explore your pain in order to put it behind you, not to stir up more arguments with someone who caused the pain in the first place. If you're energized by this outpouring of emotion and feel a strong urge to share it, call a trusted friend instead. The first time I attempted to write a children's book, it took me three months and several years of promising myself that I would do it "one day." In that time, I managed to wash the dog, rearrange

my closet, get my apartment so clean that they should have done a commercial about it and procrastinate in ways that gave the word a new name. When I actually sat down to write the book, it took me two days. That is the longest it has ever taken me to actually write a children's book, since then. In reality, unless you are writing an epic, it will not take you more than that period of time to write yours either, after you read this book. Why then the title How to Write a Children's Book in 30 Days or Less ? So that you will have the time to wash the dog, clean the closets and get Mr. Clean to personally come in and interview you. If fear or the excuse that there is never enough time has kept you from fulfilling your dream, sit back, relax and prepare to be amazed. Your first book is just thirty days away.
