From the British viral poet Della Hicks-Wilson comes an empowering and lyrical collection of short, interconnected poems about the heart, letting go, and a healing love, that readers can carry and quote for a lifetime. *Small Cures* is at once a compelling reminder to anyone struggling with heartbreak, mental health, or trauma, that they are not alone, an inspirational manual on how to survive, and a stirring call to arms for self-love. This unique

volume brings together 150 poems into one seamless narrative based on the different stages of an “illness” – diagnosis, treatment, and recovery. Through words that are as breathtakingly sparse and raw, as they are honest and memorable, Hicks-Wilson’s soothing and soulful voice serves as the gentle guide to self-healing we all need. ‘darling, you feel heavy because you are too full of truth. open your mouth more. let the truth exist somewhere other than inside your body.’ From the internationally bestselling author of *Love Her Wild* comes *The Dark Between Stars*, a new illustrated collection of heartfelt, whimsical, and romantic poems from Instagram poetry sensation, Atticus. Atticus, has captured the hearts and minds of nearly 700k followers (including stars like Karlie Kloss, Emma Roberts, and Alicia Keys). In his second collection of poetry, *The Dark Between Stars*, he turns his attention to the dualities of our lived experiences—the inescapable connections between our highest highs and lowest lows. He captures the infectious energy of starting a relationship, the tumultuous realities of commitment, and the agonizing nostalgia of being alone again. While grappling with the question of how to live with purpose and find meaning in the journey, these poems offer both honest explorations of loneliness and our search for connection, as well as light-hearted, humorous observations. As Atticus writes poignantly about dancing, Paris, jazz clubs, sunsets, sharing a bottle of wine on the river, rainy days, creating, and destroying, he illustrates that we need moments of both beauty and pain—the darkness and the stars—to fully appreciate all that life and love have to offer. Chaos is not pretty it is like feeling a hundred things, hearing a hundred voices, and somewhere in the riot we tend to lose ourselves and lose direction in our heads. This

book is the truth, it is everything we have been feeling and running away from for so long. Laura Johnston Kohl was a teen activist working to integrate public facilities in the Washington, D.C., area. She actively fought for civil rights and free speech, and against the Vietnam War throughout the 1960s. After trying to effect change single-handedly, she found she needed more hands. She joined Peoples Temple in 1970, living and working in the progressive religious movement in both California and Guyana. A fluke saved her from the mass murders and suicides on November 18, 1978, when 913 of her beloved friends died in Jonestown. Soon after this, Synanon, a residential community, helped her gradually affirm life. In 1991, she got to work, finished her studies, and became a public school teacher. On the 20th anniversary of the deaths in Jonestown, she looked up fellow survivors of the Jonestown tragedy and they have worked to put the jigsaw puzzle together that was Peoples Temple. Her perspective has evolved as new facts have cleared up mysteries and she has had time to reflect. Her mission continues to be to acknowledge, write about, and speak about why the members joined Peoples Temple, why they went to Guyana, and who they were. She lives with her family in San Diego. Laura appreciates feedback about her book, and especially likes clarifying information or answering questions that come up as you read. From bestselling author, speaker, and educator Najwa Zebian comes a collectible treasury of her most beloved poetry and prose. Selected by the author and organized by topic, the pieces in this collection address themes such as letting go, understanding self-worth, and stepping into your own power.

This remastered edition of Christopher Poindexter's second book, *Lavender*, is an intricate portrait of love in all its forms and phases. The images and words weave a story of self redemption, one of learning how to shed the skin of the past in order to appreciate all the beauty this world has to offer. Bestselling Canadian poet Nicole Lyons weaves together beloved pieces from her previous volumes *Hush*, *I Am a World of Uncertainties* *Disguised as a Girl*, and *Blossom and Bone* with new writing into a powerful documentation of her journey as a writer. Her poetry and prose are wholly relatable, taking us deep inside the heart, and the human condition. Unafraid to bare her soul, she shares her struggles skillfully crafted with every line, giving the reader permission to take a glimpse into their own. Her readers are sensitive and smart, and Lyons understands this. *JUST YOU WAIT* says it all, "Be patient, pretty little tragic one, the real suffering has not yet begun." Intricate, intimate, difficult, and confrontational poems that push at the boundaries of selfhood, skin, culture, sexuality, and blood. Christopher is cool

The second edition of Christopher Poindexter's first book, *Naked Human*, is an exploration of humanity at its finest and at its worst. This is a story written between 2011-2015 about the discovery of what

makes us human: doing whatever it takes to keep the loneliness away. Presents a collection of the author's daily love haikus, paired with his own photographs. A poetry compilation recounting a woman's journey from self-loathing to self-acceptance, confusion to clarity, and bitterness to forgiveness Following in the footsteps of such category killers as Milk and Honey and Whiskey Words & a Shovel I, Fariha Ro'isi'n's poetry book is a collection of her thoughts as a young, queer, Muslim femme navigating the difficulties of her intersectionality. Simultaneously, this compilation unpacks the contentious relationship that exists between Ro'isi'n and her mother, her platonic and romantic heartbreaks, and the cognitive dissonance felt as a result of being so divided among her broad spectrum of identities. Lessons of the Vietnam War covers all facets of the war from a diversity of perspectives. It teaches students how to think critically about conflict resolution in international relations. -- Teaches students how to reason ethically about moral choices. -- Sensitizes students to cultural differences. -- Written, reviewed and classroom tested by a nationwide network of Vietnam War scholars, teachers and veteran. -- Over 200 illustrations -- Discussion questions in all units. Exhibition includes approximately 2% of the acquisitions made during the 1990s. Offers a narrative history of the role of the U.S. in a series of coups, revolutions, and invasions that toppled fourteen foreign governments, from the overthrow of the Hawaiian monarchy in 1893 to the 2003 war in Iraq, and examines the sometimes disastrous long-term repercussions of such operations. Reprint. The poems in Allison Joseph's latest collection are smart, shameless, and empowered confessions of the best kind. In semi-autobiographical verse highlighting in turns

light-hearted and harsh realities of modern black womanhood, these poems take the reader down "A History of African-American Hair," visit with both Grace Jones and the Venus de Milo, send Janis Joplin to cheerleading camp, bemoan a treacherous first pair of high heels, and discuss "vagina business." Funny, but never flippant, and always forthcoming about the author's own flaws and foibles, *Confessions of a Barefaced Woman* is sure to keep readers entranced, entertained, and enlightened. *Pillow Thoughts* is a collection of poetry and prose about heartbreak, love, and raw emotions. It is divided into sections to read when you feel you need them most. Cici. B's debut novel, *Letters To My Ex*, is a collection of letters written to a past love over a three year period of time that was never sent to him---but they are far from your typical love letters. If you are looking for a politically correct story, one with words that float on sugar-coated clouds as the sun sets, this story isn't for you. Heartbroken and confused, Cici. B pours her unfiltered emotions onto the pages. This isn't a "light read" or a "how to guide." It is raw, vulnerable and vivid. These letters tell the story of a woman who gave her all to a man, was broken, her journey of discovery, and self-healing. This novel is for all of the women who have given their everything to the wrong man, because sometimes, just knowing that someone has experienced and survived the same pain as you, can make all the difference in the world. I would love to say that you make me weak at the knees, but to be quite upfront and completely truthful, you make my body forget it has knees at all. One day, while browsing an antique store in Helena, Montana, photographer Tyler Knott Gregson stumbled upon a vintage Remington typewriter for sale. Standing up and using a page from

a broken book he was buying for \$2, he typed a poem without thinking, without planning, and without the ability to revise anything. He fell in love. Three years and almost one thousand poems later, Tyler is now known as the creator of the Typewriter Series: a striking collection of poems typed onto found scraps of paper or created via blackout method. *Chasers of the Light* features some of his most insightful and beautifully worded pieces of work-poems that illuminate grand gestures and small glimpses, poems that celebrate the beauty of a life spent chasing the light. As gentle as a summer rain, Liz Newman writes with a mellifluous style, reminiscent of the classical poets. There is a gentle, soothing syntax in her words, a lovely treasure trove of poetic compositions. The author addresses the very elements of life, crafting a book into sections which form the cornerstones of human experiences; Life, Love, Loss, and Learning. Each section is skillfully comprised of words that touch the soul. Your body is failing you, but so am I, because I don't know how to save you, is a heart-wrenching stanza from the poem, 'Mu-tiny on Immunity. For the reader, the feeling of the helplessness and impending loss is permeable and real. Throughout this beautiful book, there are hidden jewels which cause you to revisit the poems again and again. The author suggests that the poems herein can also be read randomly. I especially enjoyed that this book can be appreciated, regardless of where one chooses to read; each piece stands on their own merit. A debut for this author, Liz Newman has created a beautiful collection, a joy for readers who love a classically written compilation. Well done! Brenda-Lee Ranta author, *Allegories* "When you're dumb enough for long enough, you're gonna meet someone too smart to love you, and

they're gonna love you anyway, and it's gonna go so poorly," Neil Hilborn writes in his debut full-length collection, *OUR NUMBERED DAYS*. In 2013, Hilborn's poem "OCD" went viral, and has amassed over 11 million views to date. While this collection ruminates on love, heartbreak, and mental illness, these poems are anything but saccharine. Hilborn uses the same humor and self-deprecation that propelled "OCD" to success in order to make his unmatched vulnerability all the more powerful.

Ultimately, Hilborn is a poet of the people: his work is accessible, honest, and entertaining; a revitalizing entry in contemporary poetry. The buzz is big for Douglas Florian's new poetry collection about the unBEElievably unique lives of honeybees—and the vital role they play in our ecosystem. Come inside the honeycomb—a busy, buzzy, bee-filled home—and learn about the unexpected wonders of these tiny insects' lifestyles, families, and communities. In fourteen funny, fact-filled honeybee poems and paintings, Douglas Florian explores the natural history of these often-unappreciated critters, revealing them to be a totally cool—and totally important—part of our ecosystem. Indeed, these buzzy bugs have been in the spotlight lately as wild bee populations are dwindling, honey prices are rising, and beekeeping has become a popular hobby. Biography of Col. James Williams, 1740-1780, the highest ranking officer who died from wounds suffered at the Battle of Kings Mountain (October 7, 1780) during the American Revolutionary War. "I need you to understand something. I wrote this for you. I wrote this for you and only you. Everyone else who reads it, doesn't get it." The follow-up to the international #1 bestselling collection of prose and photography, *I Wrote This For You And Only You* is the third book in the *I*

Wrote This For You series and gathers together the very best entries in the project from 2011 to 2015. Started in 2007, I Wrote This For You is an internationally acclaimed exploration of hauntingly beautiful words, photography and emotion that's unique to each person that reads it. The book is divided into four chapters, and each chapter serves a different purpose. Deals with a different pain. Heals a different heartache. Milk and Honey takes readers through a journey of the most bitter moments in life and finds sweetness in them because there is sweetness everywhere if you are just willing to look. Awarded "Special Recognition" by the 2018 Robert F. Kennedy Book & Journalism Awards Finalist for the American Bar Association's 2018 Silver Gavel Book Award Named one of the "10 books to read after you've read Evicted" by the Milwaukee Journal Sentinel "Essential reading for anyone trying to understand the demands of social justice in America."—Bryan Stevenson, author of Just Mercy Winner of a special Robert F. Kennedy Book Award, the book that Evicted author Matthew Desmond calls "a powerful investigation into the ways the United States has addressed poverty . . . lucid and troubling" In one of the richest countries on Earth it has effectively become a crime to be poor. For example, in Ferguson, Missouri, the U.S. Department of Justice didn't just expose racially biased policing; it also exposed exorbitant fines and fees for minor crimes that mainly hit the city's poor, African American population, resulting in jail by the thousands. As Peter Edelman explains in Not a Crime to Be Poor, in fact Ferguson is everywhere: the debtors' prisons of the twenty-first century. The anti-tax revolution that began with the Reagan era led state and local governments, starved for revenues, to squeeze ordinary

people, collect fines and fees to the tune of 10 million people who now owe \$50 billion. Nor is the criminalization of poverty confined to money. Schoolchildren are sent to court for playground skirmishes that previously sent them to the principal's office. Women are evicted from their homes for calling the police too often to ask for protection from domestic violence. The homeless are arrested for sleeping in the park or urinating in public. A former aide to Robert F. Kennedy and senior official in the Clinton administration, Peter Edelman has devoted his life to understanding the causes of poverty. As Harvard Law professor Randall Kennedy has said, "No one has been more committed to struggles against impoverishment and its cruel consequences than Peter Edelman." And former New York Times columnist Bob Herbert writes, "If there is one essential book on the great tragedy of poverty and inequality in America, this is it." This book explores the subject of metaphor, using the imagery of cartography to set a course. It explores the creative aspects of thinking and learning through literature, writing, and word play, drawing connections between English and other content areas. Theory and practical applications meet in the book, linking activities and resources to current classroom concerns--to multiculturalism, imagination in reading and writing, critical thinking, and expanding language experiences. The first part of the book examines the uses of metaphor in constructing meaning. The second part takes up issues related to multiple perspectives--using metaphors to experience other lives, and exploring cultures through traditions. The third part of the book is devoted to a consideration of the history and current status of the English language and focuses on using cross-cultural stories in the

English classroom, offering a number of resources for teaching multicultural literature in English. The fourth part examines the sensory experience of metaphors by seeing, hearing, tasting, smelling, and touching with the imagination. Contains 14 pages of references and an index. (NKA) In *Spilled Words*, the newest addition to Cici B's growing list of raw and profound written works, she delivers a filterless snapshot of her love, pain, growth and resolve. Her trademark wittiness seamlessly blends with a familiar approach yet entirely new format to her writing. It is a story unlike any other in that it is made up entirely of quotes, but still somehow paints a beautiful and complete picture. If actions speak louder than words, her latest piece shows that she not only lives and breathes her words, she bleeds them, and spills them unapologetically onto the page. Eight timeless tales from the master of speculative fiction, featuring the Nebula and Hugo Award-winning story

“Repent, Harlequin!’ Said the Ticktockman.” Robert Heinlein says, “This book is raw corn liquor—you should serve a whiskbroom with each shot so the customer can brush the sawdust off after he gets up from the floor.” Perhaps a mooring cable might also be added as necessary equipment for reading these eight wonderful stories. They not only knock you down . . . they raise you to the stars. Passion is the keynote as you encounter the Harlequin and his nemesis, the dreaded Tictockman, in one of the most reprinted and widely taught stories in the English language; a pyretic who creates fire merely by willing it; the last surgeon in a world of robot physicians; a spaceship filled with hideous mutants rejected by the world that gave them birth. Touching, gentle, and shocking stories from an incomparable master of impossible dreams and troubling truths. An Instagram poet with hundreds of thousands of followers, Christopher Poindexter presents a new poetry collection themed on love in its many forms. OLD SOUL LOVE is a combination of new, never-before-seen poetry, mixed in with some of Christopher's most popular Instagram pieces, all of which explore the many shapes and forms of love. Unrequited love. Platonic love. Lost love. Self-love. And, for a lucky few humans: old soul love that seems to transcend even death. When you gamble at love . . . When Hugh Deveraux discovers his newly inherited earldom is bankrupt, he sets about rebuilding the family fortune—in the gaming hells of London. But the most daring wager he takes isn't at cards. A wealthy tradesman makes a tantalizing offer: marry the man's spinster daughter and Hugh's debts will be paid and his fortune made. The only catch is that she must never know about their agreement . . . You risk losing your heart . . . Heiress Eliza Cross has given up hope of marriage until

she meets the impossibly handsome Earl of Hastings, her father's new business partner. The earl is everything a gentleman should be, and is boldly attentive to her. It doesn't take long for Eliza to lose her heart and marry him. But when Eliza discovers that there is more to the man she loves—and to her marriage—her trust is shattered. And it will take all of Hugh's power to prove that now his words of love are real . . . Poems deal with writing, death and immortality, literature, city life, illness, war, and the past.
