A were-rabbit farmer from nowhere, Aurora knows it's important she keeps her head down and stay out of trouble when she's in a city full of predator shifters. She manages to do the exact opposite when she accidentally stumbles into the path for a pack of alpha werewolves. She tries to make a run for it, but an alpha werewolf lunges for her neck and declares her his mate. "You ran, little rabbit," he says. "I caught you. And now you're mine." ~~~~~ PG Excerpt ~~~~~ "I'm not- I'm not your mate," she stutters. "You ran, little rabbit," he says. "I caught you. And now you're mine." Her blood freezes in her veins. How could she be so stupid? Even back home, she's been warned about this. Never run from a predator unless you're completely certain you can get away. "Breathe, rabbit," he says and she takes a shuddering inhale dutifully. He allows her a moment to calm down, then starts moving towards her. She contemplates wrenching the door open and diving out into the road. It'll take a while for them to catch up to her, and maybe she can get away. "What happens now?" she asks, her voice quiet. She's hoping that the question is enough to distract him from coming any closer. It doesn't work. He reaches out an arm and pulls her into his chest by her waist. He's so warm and comforting that she has to resist the urge to melt against him. She closes her eyes and focuses on breathing. In. Out. In. Out. His grasp on her waist tightens and

she feels the warmth of his fingers. Her breathing turns erratic once again. It's like trying to control a sail boat in a tidal wave. He makes a soft rumbling noise as he rubs his nose against her neck. She wants to ask what he's doing but his mouth is suddenly on her neck and she holds completely still when she feels his tongue on her skin. She hisses in through her teeth when he licks at the wound but is too afraid to move. "You get twenty four hours to settle all your affairs. After that, I'm coming back for you." "You're coming back for me?" she echoes and tries not to moan when he nuzzles her hair with his chin, rubbing his scent on her. The action makes her shiver a little. She feels like there's a fire inside her, burning with a low heat that threatens to consume her completely. "You're mine now, rabbit," he says and his hands on her waist feels like they are hot enough to burn through her shirt. He moves his lips back to her neck and she tenses, thinking he's going to bite her again, but he merely laps at the bite mark he's left on her. The sensation of his tongue on her neck is almost soothing. She shudders and relaxes into his hold with a soft moan that she couldn't keep in her throat. Blood rushes to her face. "You like that don't you? Like it when I mark you?" he murmurs. She bites her lower lip because she doesn't quite trust herself not to moan again.

Alejandra is tangled up with someone dangerous, and the stakes just keep getting higher. Can Chez save everyone before everything comes crashing down around them? Can he win the girl of his dreams? Sink your teeth the dark side with these two delicious paranormal romances by USA Today Bestseller Lauren Smith. *The Bite of Winter: Zoey Blake* is about as far down on her luck as she can get. A car crash took her parents, leaving her destitute and on the street. When she 's attacked by another homeless person, her lifeblood drains away as her fading vision is filled with the face of a handsome stranger. Ian Kennedy, a century old Irish vampire, never could resist rescuing a stray. As a few drops of his blood heals Zoey 's wounds, he realizes she 's a sweet, tempting, flesh-and-blood woman. But there 's one problem. Connor, who made Ian promise decades ago: no more mortal lovers. After another vampire murdered his soulmate, Connor O ' Shea swore never to let a mortal woman pay the price for loving him. Until he feels Zoey 's skin and tastes her lips. She makes him want to break that vow. Zoey finds herself caught in their web of seduction. But as Christmas draws near and her grief deepens, happiness seems far out of reach. And Ian and Connor join forces to prove their love is sacred, special...and forever. *His Little Vixen: Sadie Harris* doesn ' t like immortals. After vampires leave her an orphan, she 's raised by her grandmother at the edge of a werewolf pack 's territory. As a fox shifter, she knows the rules about werewolves: Stay clear of the boundaries, never go out after dark during the full moon and take a vacation far, far away when she goes into her shifter mating heat or else she ' ll attract literal "big bad wolves." But when her flight gets cancelled and her mating heat is coming - so are the wolves. The last thing she expects is to get rescued by a tall, dark and gorgeous man...er...vampire. What 's a vixen to do? Seamus Gallagher might be immortal but his life is full of mortal problems: he 's been framed for the murder of the woman his two best friends loved; he's on a mission to find and kill his sire; and, he has no idea what to do with the feisty red-headed vixen he just rescued from a vicious werewolf pack. He doesn't have time to babysit a skittish shifter who hates vampires, but when he looks at her, Seamus sees trouble. Sexy, sweet, and irresistible
