A funny, entertaining novel of love and family for our times: a single woman who fears she's lost her chance at a family of her own, begins to accumulate an ad hoc one around her. In the tradition of Elinor Lipman or Marisa de los Santos (Love Walked In), Flowers delivers a smart, witty, appealing story of love, family, and community that breaks the mold of the conventional love story-and will have readers cheering. Everyone around Prudence

Whistler, thirty-six, seems to be settling down. Her once single girlfriends have married and had babies. Her gay best friend is discussing marriage with his partner. Even her irresponsible younger sister, Patsy, is the single mother of a two-year-old. But when Pru panics at losing her mediocre boyfriend of two years-and begins to see the door to her traditional family life closing-she accidentally finds something even better: a new definition of family and happiness. First, it's the crazy cat who moves into her apartment. Then come Pru's headstrong sister and two-year-old niece. Then the niece's dog, the sister's ex-boyfriend, and, ultimately, Patsy and Pru's widowed mother. With the strength of her modern new household, Pru musters the confidence to open the dress shop she's always wanted in town-and discovers an extended family of sorts in the community of shop owners and devoted customers. It's only then that she ends up with the man of her dreams. Endearing, romantic, and satisfying, Nice to Come Home To is a charming, crowd-pleasing debut. Dit is geen verhaal over de liefde. Dit is een verhaal over een andere manier van liefhebben. Als je wist hoe ik ben opgegroeid, zou je denken dat dat me enorm verknipt heeft gemaakt. Op zich valt dat mee... Op mijn zestiende

ontvluchtte ik het gat waar ik opgroeide. Het bleek het beste besluit dat ik ooit heb genomen. Nu ben ik zesentwintig, heb ik een opleiding afgerond en een verdomd goeie baan gevonden. Mijn vrienden zijn mijn familie geworden. Zij weten net als ik hoe het is om zonder liefde te moeten opgroeien. Ik volg mijn eigen pad. Ik weet waar ik heen wil en ik weet dat ik er ga komen. Op mijn eigen tempo en hoe ik dat wil. Niemand bepaalt meer iets voor mij. Ook hij niet. Ik voel zijn blik. Hij is er altijd. De band tussen ons is verkeerd. Verkeerd maar wel echt. Je vraagt je vast af hoe iemand in vredesnaam verliefd kan worden op zijn stalker? Nou, ik ook. ***Disclaimer*** In dit verhaal zijn situaties beschreven die door sommige lezers als aanstootgevend beschouwd kunnen worden. AVAILABLE AS AN EBOOK FOR THE FIRST TIME! On a rainy Southern night, Jade Sperry endured a young woman's worst nightmare at the hands of three local hell-raisers. Robbed of her youthful ideals and at the center of scandal and tragedy, Jade ran as far and as fast as she could. But she never forgot the sleepy "company town" where every man, woman, and child was dependent on one wealthy family. And she never forgot their spoiled son, who, with his two friends, changed her life

forever. Someday, somehow, she'd return, exact a just revenge -- and free herself from fear, and the powerful family that could destroy her. The next book in Lauren Asher's hot and sexy Dreamland Billionaires series Declan and Iris's story is coming soon... Terms and Conditions is the second book in a series of spicy standalone novels featuring three billionaire brothers. Best-selling mystery writer Sam Torres loves jetting around the world, researching her next plot, and enjoying local culture, cuisine, and women. Her next stop: the Big Easy. Tess Arceneaux is a New Orleans native who likes life simple and uncomplicated. That includes shucking oysters for wealthy tourists and singing at the neighborhood bar—no pretense and no pressure. When Sam saunters in looking for company in addition to dinner, she sets her sights on Tess. Although Tess is hardly inclined to get involved with a woman who's just passing through, Sam proves very persuasive. But when casual dates hint at something more, strange and sinister things ensue. Someone doesn't want them together and will go to extreme lengths to make her point. Will looming danger bring them closer or drive them apart for good? An Enemies-to-Lovers Romance Book 2 of a duet. The conclusion to London and California's hot and steamy love story. Gorgeous, driven billionaire London Shaw can have anything he wants—eager women, endless money, and easy attention. Everything except for me. I don't play by

this rebellious man's rules, and his efforts to get me into his bed fall flat. My heart is broken. His is closed. Neither of us wants any strings. And yet, staying away from London proves impossible—he enters my life with no pretense, upsetting my perfectly-ordered days, challenging my self-made promises, and uncovering the dark secrets of my past. Our torrid chemistry is undeniable. Our craving for each other obvious. And our connection...impossible to ignore. And even though I can't let him in, London Shaw sticks around when a lesser man would run in the opposite direction. And slowly, my walls start to come down. This is part two of London and California's story. Our bared bodies. Our shattered walls. Our once-in-a-billion kind of love. Obsession, defined as the domination of one's thoughts or feelings by a persistent idea, image or desire....Chantel Rosenberg's passion for music and life had never shone brighter than the time she spent in Bordeaux France. It's a time when feelings arose and desires ran deep, a time that fundamentally changed her life. A man living in seclusion, Phillippe Tibideau is haunted and plagued by memories he cannot disregard. Choosing to live a quiet life in his Chateau surrounded by the vineyards of France, he's left his passion for art behind. However, the time has arrived to tell his side of a tale. A tale that has depicted him as a 'beautiful monster' and he's finally allowing someone close. Close enough to ask questions. Questions he's

not sure he wants to answer. Questions about her. For up and coming journalist Gemma Harris, the pursuit of truth is what drives her and when a job of a lifetime presents itself there is nothing in the world that will stop her from taking it. Even if it does mean leaving her home for several months to stay at Chateau Tibideau, with him. This is a story of what happens when three passionate lovers collide and the desire for truth, art and music merge. Chateau Tibideau is a place full of unanswered questions, dark sinful desire and a beauty so hauntingly sad it will have you wondering how you will ever leave the same.... My marriage seemed perfect from the outside looking in. People envied me. They wanted my life, wanted to be me. Mrs Alejandra Gambino. Wife of Dino Gambino. Daughter of Eduardo Castillo. Respected. Loved. Mob royalty. They had no idea of the horrors that lurked behind closed doors. They didn't know I was at the lowest point a person could reach. Enter Julius Carter. Aloof, handsome, blue-eyed Julius Carter. He saved me. I screwed him over. Now everybody was after me. My life was forfeit. It was only a matter of time. I was a dead woman walking. The question was, who would get to me first? Delilah "Lily" Flynn is used to her drab existence. Lily's been living it for twenty two years. Her boring life is suddenly turned on its head when she's rudely kidnapped from her bedroom. Or so she thinks. Nox Taylor is far too high up in his field to be assigned a

babysitting job. There's nothing more he wants than to complete his mission so he can be rid of the smartass tomboy, Lily. Day after day, Nox watches Lily and her strange ways. She's unlike any woman he's ever met. Getting close to the girl is purely for her own protection...right? Lily never imagined she'd make her first real friends in captivity. To what lengths would she go to keep them? There are three things you need to know about Sandra Fielding: 1) She makes all her first dates cry, 2) She hasn't been kissed in over two years, and 3) She knows how to knit. Sandra has difficulty removing her psychotherapist hat. Of her last 30 dates, 29 have ended the same way: the man sobbing uncontrollably. After one such disaster, Sandra gives in to a seemingly harmless encounter with her hot waiter, Alex. Argumentative, secretive, and hostile Alex may be the opposite of everything Sandra knows is right for her. But now, the girl who has spent all her life helping others change for the better, must find a way to cope with falling for someone who refuses to change at all. Love Hacked is book #3 in the Knitting in the City series. Naomi: When I was kidnapped I thought only of survival. I don't thrive well in chaos. That's why I gave my captors exactly what they wanted: my skill with computers. Making millions for a crime lord who kept me imprisoned in his basement compound kept my family safe. When he was taken out, I thought my ticket to freedom had arrived. Wrong. I traded one keeper for another. This time I'm in the hands of a scarred, dark, demanding Russian who happens to be the head of the Bratva, a Russian crime organization. Vasily: At a young age, I was taught that a man without power is a puppet for all. I've clawed—and killed—my way to the top so that it is my heel on their necks. But to unify the fractured organization into an undefeatable machine, I need a technological genius to help me steal one particular artifact. That she is breathtaking, determined, and vulnerable is making her more dangerous than all of my enemies combined. But only I can keep

her safe from the world that she now inhabits. Soon, I must choose between Naomi and Bratva law. But with every day that passes, this becomes a more impossible choice. This was not going to end well. Connor Clash was an a**hole. And I loved him with all of my heart. Working together...and sleeping together? Piers's relationship with Georgia was strictly business — pure and simple. This should have made their living under the same roof a relatively straightforward affair. And then one intimate night, business became steamy pleasure... Mills & Boon Modern — Seduction, glamour and sinfully seductive heroes await you in luxurious international locations. Cold-blooded Fire elemental Mab Monroe has hired one of the smartest assassins in the business to trap me. Elektra LaFleur is skilled and efficient, with deadly electrical elemental magic as potent as my own Ice and Stone powers. I intend to kill LaFleur—or die trying—because Mab wants the assassin to take out my baby sister, Detective Bria Coolidge, too. As Old as Time is the third book in a new YA line that reimagines classic Disney stories in surprising new ways. When Belle touches the Beast's enchanted rose, memories flood through Belle's mind—memories of a mother she thought she would never see again. And, stranger still, she sees that her mother is

none other than the beautiful enchantress who cursed the castle and all its inhabitants. Shocked and confused, Belle and the Beast will have to unravel a dark mystery about their families that is 21 years in the making. There are three things you need to know about Ashley Winston: 1) She has six brothers and they all have beards, 2) She is a reader, and 3) She knows how to knit. Former beauty queen, Ashley Winston's preferred coping strategy is escapism. She escaped her Tennessee small town, loathsome father, and six brothers eight years ago. Now she escapes life daily via her one-click addiction. However, when a family tragedy forces her to return home, Ashley can't escape the notice of Drew Runous—local Game Warden, bear wrestler, philosopher, and everyone's favorite guy. Drew's irksome philosophizing in particular makes Ashley want to run for the skyscrapers, especially since he can't seem to keep his exasperating opinions— or his soulful poetry, steadfast support, and delightful hands— to himself. Pretty soon the girl who wanted nothing more than the escape of the big city finds she's lost her heart in small town Tennessee. Beauty and the Mustache is book #4 in the Knitting in the City series, and book #0.5 in the Winston Brothers series. Each book is a standalone, full length (110k words), contemporary romantic comedy novel, and follows the misadventures and exploits of seven friends in Chicago, all members of the same knitting group. □A story by New York
