Some Deeper Aspects Of Masonic Symbolism (Annotated Edition) Jan 19 2023 This is one of A. E. Waite's less known works on freemasonry but still essential to understand the order in itself. This edition includes a detailed essay about Freemasonry, its history and origins, written by Hermann Gruber. Contents: Part I A System Of Morality The First Degree The Meaning Of Initiation Entered, Passed, Raised Imperfect Symbolism The Third Degree Part II The Book Of The Dead The Christian Mysteries The Mystical Fact The Place Of Darkness Operative Masonry The Old Charges Living Stones Part III The Kabalah The Divine Name The Temple The Builder Craft Masonry

Memory Palaces and Masonic Lodges May 11 2022 Reveals how the art of memory is the origin of the Masonic method • Explains the classical techniques of the art of memory, how they were reworked by hermetic thinkers during the Renaissance, and how they contributed to the transformation of operative Freemasonry into speculative Freemasonry • Traces the creation of speculative Freemasonry to 1637, one hundred years earlier than previously thought • Explores how the "memory palaces" created with the art of memory enabled access to universal knowledge as well as represented the Masonic temple in its imaginary state In Antiquity, the art of memory was a mnemonic device that allowed an orator, such as Cicero, to recall all the points he wished to make by associating each of them with an image or architectural element in the site he was speaking. When this art was rediscovered in the Renaissance, hermetic thinkers like Giordano Bruno reworked it into a method that allowed them to acquire knowledge with the creation of "memory palaces." The elements of these memory palaces were not intended to trigger the memory but would actually transform into talismanic objects with knowledge entirely new to the seeker. In this book, Charles B. Jameux shows that this hermetic reworking of the classical art of memory was no mystery to operative Masons, who grafted it onto their own rituals, catalyzing the transformation of operative Masonry into speculative Masonry. He shows how the hieroglyphic writing used during the Renaissance in the art of memory provided the groundwork for one of the most esoteric elements of masonic practice: the grasp of the realm of image by the letter, where symbols were "buried" within words. Using archival evidence from 17th-century Scotland and earlier, combined with the research of modern scholars such as Frances Yates and David Stevenson, Jameux argues that the creation of speculative Freemasonry can be traced back 100 years earlier than conventional history records--to 1637, when the first recorded use of the Mason's Word appeared and with it, the first known appearance of the symbolic Temple of Solomon. He follows Giordano Bruno's visit to the British Isles in the late 16th century and the subsequent activities of the men he met there, showing that Masonic symbolism owes much of its current form to early memory palaces, which represented the Masonic lodge and temple in their fully imaginary states. Revealing the pivotal role of the memory palace and hermetic traditions in early Masonic symbolism, Jameux sheds new light on the Masonic questions asked of each initiate and the spiritual importance of the Temple of Jerusalem to Freemasonry.

Some Deeper Aspects of Masonic Symbolism: Foundations of Freemasonry Series Sep 15 2022

Long Island Freemasons Dec 14 2019 The first Masonic lodge in what is today Nassau and Suffolk Counties was constituted in 1793. For over 200 years, more than 70 lodges were founded and flourished in various locations from Amagansett to Great Neck. For the first time, some of the secrets of the Masonic fraternity are revealed in this book. Recovered from dusty lodge attics and closets, this selection of long-forgotten photographs and artifacts gives the readers a brief glimpse of what was taking place behind the closed doors of their local lodge. Long Island was the Masonic home of Theodore Roosevelt of Oyster Bay and, 30 years later, was honored by a visit to the Huntington Masonic lodge by his fifth cousin and fellow Mason Franklin D. Roosevelt. Masons continue to support the community through charitable endeavors, including the Masonic Medical Research Institute, Masonic Safety Identification Programs, Shriners Hospitals, and many more. **Masonic Trials** Feb 25 2021 This is a useful and comprehensive handbook on the subject of Masonic trials in Lodges, Chapters and Commandaries. This informative and authoritative work also provides numerous sample forms and explores, in detail, all aspects of Masonic trial and its consequences. This in a photographic reproduction of the 1902 Edition of this work. Includes an Index.

Some Deeper Aspects of Masonic Symbolism Nov 17 2022 This Is A New Release Of The Original 1800's Edition.

The Meaning of Masonry Feb 14 2020 Who are the Masons and what does their society believe in? Although there are over six million members of this fraternity worldwide, with some extremely famous past members including George Washington, Wolfgang Amadeus Mozart and Simon Bolivar, little is actually known about what they do. W. L. Wilmshurst's The Meaning of Masonry sheds light upon this notoriously secretive organization. As a mason himself in the early twentieth century Wilmshurst had first-hand knowledge of Masonic rituals and practices and here explains the symbolism behind it, its rites and beliefs, and ultimately why people become Masons. From the various degrees that the hold, to their clothing that they wear and the lodges which they attend, Wilmshurst's The Meaning of Masonry analyses multiple aspects of the organization. He provides a fascinating insight into the Masonic Order, uncovering the origins of their beliefs and placing them in the context of when they began. W. L. Wilmshurst was an English author and Freemason. He published four books on Freemasonry. He first joined the Huddersfield Lodge No.290 in 1889. The Meaning of Masonry was his first book, published in 1922. Wilmshurst died in 1939.

The Constitutions of the Free-Masons Jun 12 2022 This edition unites the Masonic Constitution together with other regulations, plus a selection of Freemason songs traditionally sung in the Lodges. A fascinating account of the Freemason traditions, and a crucial source document for founders of the Masonic Lodges, this book offers insight into both the historic and social qualities of Freemasonry. We discover how the organization's hierarchy is arranged, how it advances principles such as mutual aid between Masons times of crisis or hardship, and how relevant subjects of Art and Architecture are ripe for discussion. Rules of rank, conduct, congregation and ceremony are sequentially laid out in the book's second portion: the General Regulations. We learn how one Lodge is to associate with another, how periodic communications are to be issued to Masons, how a Lodge's finances are to be organized, and how the Wardens oversee the group's affairs. Rules protecting against the abuse of the society, and rules of succession in the event of a Grand-Master's death or incapacity, are also given. The concluding portion of this book contains a selection of songs. These are intended to be sung by Freemasons in celebration; generally, they praise aspects of architecture and design employing sound geometry, while the singers congratulate one another and celebrate the convivial aspects of fraternity. First composed in the 1720s, we see in this book an authentic and detailed account of Freemasonry in its early years.

What Is Freemasonry For Oct 04 2021 Essays on aspects of Freemasonry

Not My Legacy & Godhead, Apathy And Brad Paisley: Two Short Masonic/Eastern Star Dramas Jan 15 2020 These two plays are unique additions to the world of Masonic and Eastern Star theater. 'Not My Legacy' is a debate on making a legacy in light of famous Masons and Eastern Star sisters of the past. 'Godhead, Apathy And Brad Paisley' looks at Masons in contemporary rock music, while touching on rap, country music, segregation, Prince Hall and even the Illuminati. 'Not My Legacy' is also available in a Yiddish edition, the first Masonic play translated into Yiddish. Each show features two performers and can be performed by Masons and Eastern Star. They can be performed for the public, but are also a perfect length for lodge meetings. Playwright Aaron Joy is a music writer who has been involved in Masonry in his home of Portland, Maine. His theater work spans on and off stage in the U.S. and Japan, including directing Off-Broadway and tech at San Francisco's Jon Sims Center. While his music work includes owning his own label, Roman Midnight Music, and extensive blogging and podcasting.

The Lost Key Feb 08 2022 Symbols play a big part in our lives, but we often miss their full meaning. A book for Freemasons, and explains the meaning of their symbols. Masons are members of a longstanding fraternal order that functions as a mystical brotherhood. A number of rituals are performed as one progresses up the ranks, usually in the form of an initiation. Often times Masons may not fully understand the true purpose of the initiation. This book covers the symbols found within the first three degrees of Freemasonry, making it an excellent guidebook for the beginning Mason, and offers a more complete understanding for those who oversee their rituals.

The Secret Tradition in Freemasonry, Vol. 2 of 2 Mar 09 2022 Excerpt from The Secret Tradition in Freemasonry, Vol. 2 of 2: And an Analysis of the Inter-Relation Between the Craft and the High Grades in Respect of Their Term of Research, Expressed by the Way of Symbolism I. The Root-Matter of the Alleged Hermetic Connection The Masonic aspects of Alchemy - Further concerning the gifts of spiritual building - The question of Hermetic interference - That such interference must have been tintured with Kabalism - That it was not of practical Alchemy - State of the question in the mind of Masonic writers - Slightness of their acquaintance with Hermetic literature - The initiation of Ashmole - Meaning of the term Hermetic in the seventeenth century - High Grades developed in the alchemical sense - The French Rite of Philalethes - Its origin and growth - Nature of its interests - The Grade content - Masonic and philosophical aims - Conventions held at Paris - Dissolution of the Rite - Disappointments in Hermetic Masonry - The term in mystical Alchemy and in Kabalism - Alchemy and the Secret Tradition. II. The Lost Keys of Freemasonry Oct 24 2020 A high-ranking Mason offers a fascinating glimpse into the Western world's most secretive society. Manly P. Hall, a scholar of occult and esoteric ideas, traces the path followed by initiates to the ancient craft. Hall also recounts the ethical training required of a Freemason, and he profiles the character traits a Mason must "build" within himself.

More than a mere social organization a few centuries old, Freemasonry can be regarded as a perpetuation of the philosophical mysteries and initiations of the ancients. This book reveals the unique and distinctive elements that have inspired generations of Masons. Thoughtful members of the craft, as well as outsiders, will appreciate its exploration of Masonic idealism and the eternal quest, from humble candidate to entered apprentice and master Mason. This read promises to reveal the profounder aspects of an ancient fraternity whose ideal has always wrought for the benefit of mankind.

So You Think You Know about Freemasonry? (Aziloth Books) Jan 07 2022 Among Non-Masons, especially the sensationalist type, and even among many Freemasons, there are many misconceptions and misunderstandings of the original objectives, so much so that much of the meaning of Freemasonic ritual has become blurred and confused. The original creators of this system of character building, harmonising with humanity, and of creating a better understanding of the individual's relationship to God - whatever he deems his God to be - were very intelligent individuals. They possessed a deliberate intent regarding the most suitable method of encouraging others to achieve these high objectives. By this system of progression, it was hoped that man's understanding of himself and his God would lead eventually to a peaceful harmony throughout life. So great was its objectives and construction that it received many imitators, some not quite achieving the ideals envisaged by the original creators. This book is an attempt to 'get back to basics', and will hopefully bring some additional light upon what I consider the greatest method of self-improvement ever devised by man.

FREEMASONRY'S HIDDEN BRAIN SCIENCE. Jul 21 2020

Memory Palaces and Masonic Lodges Mar 29 2021 Reveals how the art of memory is the origin of the Masonic method • Explains the classical techniques of the art of memory, how they were reworked by hermetic thinkers during the Renaissance, and how they contributed to the transformation of operative Freemasonry into speculative Freemasonry • Traces the creation of speculative Freemasonry to 1637, one hundred years earlier than previously thought • Explores how the "memory palaces" created with the art of memory enabled access to universal knowledge as well as represented the Masonic temple in its imaginary state In Antiquity, the art of memory was a mnemonic device that allowed an orator, such as Cicero, to recall all the points he wished to make by associating each of them with an image or architectural element in the site he was speaking. When this art was rediscovered in the Renaissance, hermetic thinkers like Giordano Bruno reworked it into a method that allowed them to acquire knowledge with the creation of "memory palaces." The elements of these memory palaces were not intended to trigger the memory but would actually transform into talismanic objects with knowledge entirely new to the seeker. In this book, Charles B. Jameux shows that this hermetic reworking of the classical art of memory was no mystery to operative Masons, who grafted it onto their own rituals, catalyzing the transformation of operative Masonry into speculative Masonry. He shows how the hieroglyphic writing used during the Renaissance in the art of memory provided the groundwork for one of the most esoteric elements of masonic practice: the grasp of the realm of image by the letter, where symbols were "buried" within words. Using archival evidence from 17th-century Scotland and earlier, combined with the research of modern scholars such as Frances Yates and David Stevenson, Jameux argues that the creation of speculative Freemasonry can be traced back 100 years earlier than conventional history records--to 1637, when the first recorded use of the Mason's Word appeared and with it, the first known appearance of the symbolic Temple of Solomon. He follows Giordano Bruno's visit to the British Isles in the late 16th century and the subsequent activities of the men he met there, showing that Masonic symbolism owes much of its current form to early memory palaces, which represented the Masonic lodge and temple in their fully imaginary states. Revealing the pivotal role of the memory palace and hermetic traditions in early Masonic symbolism, Jameux sheds new light on the Masonic questions asked of each initiate and the spiritual importance of the Temple of Jerusalem to Freemasonry.

Masonic Temples Nov 24 2020 In *Masonic Temples*, William D. Moore introduces readers to the structures American Freemasons erected over the sixty-year period from 1870 to 1930, when these temples became a ubiquitous feature of the American landscape. As representations of King Solomon's temple in ancient Jerusalem erected in almost every American town and city, Masonic temples provided specially designed spaces for the enactment of this influential fraternity's secret rituals. Using New York State as a case study, Moore not only analyzes the design and construction of Masonic structures and provides their historical context, but he also links the temples to American concepts of masculinity during this period of profound economic and social transformation. By examining edifices previously overlooked by architectural and social historians, Moore decodes the design and social function of Masonic architecture and offers compelling new insights into the construction of American masculinity. Four distinct sets of Masonic ritual spaces—the Masonic lodge room, the armory and drill room of the Knights Templar, the Scottish Rite Cathedral, and the Shriners' mosque – form the central focus of this volume. Moore argues that these spaces and their accompanying ceremonies communicated four alternative masculine archetypes to American Freemasons—the heroic artisan, the holy warrior, the adept or wise man, and the frivolous jester or fool. Although not a Freemason, Moore draws from his experience as director of the Chancellor Robert R Livingston Masonic Library in New York City, where he utilized sources previously inaccessible to scholars. His work should prove valuable to readers with interests in vernacular architecture, material culture, American studies, architectural and social history, Freemasonry, and voluntary associations.

Masonic Initiation Dec 26 2020 This Is A New Release Of The Original 1922 Edition.

Aspects of Freemasonry in Modern Mexico Oct 16 2022

SOME DEEPER ASPECTS of MASONIC SYMBOLISM (Annotated) Feb 20 2023 THE subject which I am about to approach is one having certain obvious difficulties, because it is outside the usual horizon of Masonic literature, and requires, therefore, to be put with considerable care, as well as with reasonable prudence. Moreover, it is not easy to do it full justice within the limits of a single lecture. I must ask my Brethren to make allowance beforehand for the fact that I am speaking in good faith, and where the evidence for what I shall affirm does not appear in its fullness, and sometimes scarcely at all, they must believe that I can produce it as it need, should the opportunity occur. As a matter of fact, some part of it has appeared in my published writings. I will introduce the question in hand by a citation which is familiar to us all, as it so happens that it forms a good point of departure: - "But as we are not all operative Masons, but rather Free and Accepted or speculative, we apply these tools to our morals." With certain variations, these words occur in each of the Craft Degrees, and their analogies are to be found in a few subsidiary Degrees which may be said to arise out of the Craft—as, for example, the Honorable Degree of Mark Master Mason. That which is applied more specially to the working implements of Masonry belongs to our entire building symbolism, whether it is concerned with the erection by the Candidate in his own personality of an edifice or "superstructure perfect in its parts and honorable to the builder," or, in the Mark Degree, with a house not made with hands, eternal in the heavens, or again with Solomon's Temple spiritualized in the Legend of the Master Degree.

Masonic Voice-review Jan 27 2021

The Lost Keys of Freemasonry Jul 13 2022 Mr. Hall, himself an honorary 33rd Mason, reveals the profounder aspects of this ancient Fraternity which has been a source of inspiration to so many individuals through the centuries. The basic symbolism of the three degrees of the Blue Lodge is explained. The text can be read with profit by both new and old Masons, for within its pages lies an interpretation of Masonic symbolism which supplements the monitorial instruction usually given in the lodges. The leading Masonic scholars of all times have agreed that the symbols of the Fraternity are susceptible of the most profound interpretation and thus reveal to the truly initiated certain secrets concerning the spiritual realities of life. Freemasonry is therefore more than a mere social organization a few centuries old, and can be regarded as a perpetuation of the philosophical mysteries and initiations of the ancients. This is in keeping with the inner tradition of the Craft, a heritage from pre-Revival days. The present volume will appeal to the thoughtful Mason as an inspiring work, for it satisfies the yearning for further light and leads the initiate to that Sanctum Sanctorum where the mysteries are revealed. The book is a contribution to Masonic idealism, revealing the profounder aspects of our ancient and gentle Fraternity - those unique and distinctive features which have proved a constant inspiration through the centuries. Chapters Include: Chapter I - The Eternal Quest Chapter II - The Candidate Chapter III - The Entered Apprentice Chapter IV - The Fellow Craft Chapter V - The Master Mason Chapter VI - The Qualifications of a True Mason Epilogue

Masonic Tour Guide - Volume 2 Aug 14 2022 The Masonic Tour Guide has returned! This volume features incredible Masonic events held every year that no Freemason should miss, reveals never before-seen details on records that our fraternity has set, and provides exclusive information on the programs available to our members to develop, improve and lead The Craft. No resource to date has provided this level of detail on the sights and services of Freemasonry! Readers of the Masonic Tour Guide will discover the answer to even more of the fraternity's greatest questions: Where are the world's largest square and compasses? (Page 44) What is a "Socrates Cafe" and how can I start one in my lodge? (Page 66) Which beautiful Masonic temple can I explore from my couch? (Page 42) How can I improve myself in Masonry? (Pages 55-75) When were the most degrees ever conferred? (Page 47) Who presents an award for entertaining widows and orphans? (Page 13)

Women's Agency and Rituals in Mixed and Female Masonic Orders Sep 03 2021 This volume concentrates on two aspects of the participation of women in Freemasonry: Women's agency (i.e. the power women gained and exercised in this context) and rituals (i.e. the role of man and women in changing and shaping the rituals women work with).

Secrets and Practices of the Freemasons Nov 12 2019 Uncover the fascinating truth behind Freemasonry and incorporate symbolic rituals into your life with this remarkably detailed and comprehensive insider's guide. Jean-Louis de Biasi, a 32nd Degree Freemason who's been involved in the order for over twenty years, offers a candid look at the essential aspects of Freemasonry. Basing his work on original texts and archaeological findings, de Biasi details the Masonic tradition's history, the degree-based system of the Scottish Rite, and their ethical teachings and philosophies. He provides evidence of Freemasonry's origination in the Ancient Western Mysteries and its Hermetic and Qabalistic underpinnings, and then traces how the Founding Fathers used this knowledge to embed sacred symbolism into the U.S. Capitol and throughout Washington, DC. From the power-charged grids within architecture to Albert Pike's highly influential teachings, from the Rose-Cross mysteries to the Masonic themes in Dan Brown's popular books, *Secrets and Practices of the Freemasons* shines a revelatory light on this captivating subject. Also featured: genuine Masonic meditations and individual rituals with easy-to-follow instructions, plus interviews with scientists who lend their perspectives on Freemasonry as it is viewed and practiced today.

Brotherhood of God Apr 29 2021 Brotherhood of God is a collection of prayers to be used by Freemasons, used both within the Lodge and in daily life. It is an aid for the spiritual needs of the Fraternity to remind all of the importance of God in all that we do. Garron C. Daniels is a Freemason from the State of Missouri. He's a member of Brotherhood Lodge #269 in St Joseph, Mo, a member of the Scottish Rite and York Rite, and several other fundraising bodies of Freemasonry. He gains his influence in writing from his studies about the Fraternity as well as his studies in becoming an Episcopal Priest at the University of the South: School of Theology. He continues to dedicate his time to exploring the religious aspects of Masonry and where Christianity plays a role in it.

Wilmschurst's the Meaning of Masonry Nov 05 2021 What is the point of Freemasonry? Why do we have degrees and what is this "path" Masons are supposed to be on? W.L. Wilmschurst gives us a clear understanding of these and other aspects of the Masonic spiritual path of initiation. This classic work has been recommended for new and experienced Masons since its 1922 original publication. Retypeset 2013 Cornerstone edition.

Christianity and the Secret Teachings of the Masonic Lodge Jul 01 2021 Is there anything wrong with a Christian being a member of the Lodge? Are you a Christian pastor who has studied Masonry found nothing wrong with it and so you have not warned your members and possibly even joined the Lodge yourself? Does your church allow Masons to serve on your boards to teach the Bible in Sunday School and serve in other positions of influence and leadership? In this book we will document from the Masonic Ritual the authoritative book given to a person who enters and becomes a member of the Lodge how Masonry conflicts and denies foundational Christian truths. Masons are promised that nothing in Masonry's teachings will ever conflict with their own Christian belief. Has Masonry lied to or deceived Christians? In this book you will find answers to all these questions from the Masonic ritual and the Bible itself.

The Masonic Magician Aug 02 2021 The Masonic Magician tells Cagliostro's extraordinary story, complete with the first English translation of his Egyptian Rite of Freemasonry ever published. The authors examine the case made against him, that he was an impostor as well as a heretic, and find that the Roman Church, and history itself, have done him a terrible injustice. This engaging account, drawing on remarkable new documentary evidence, shows that the man condemned was a genuine visionary and true champion of Freemasonry. His teachings have much to reveal to us today, not just of the secrets of the movement, but of the mysterious hostility it continues to attract.

A Pilgrim's Path Oct 12 2019 It's a masterpiece...if you're interested in American Masonry and its impact on our country, this book is for you.—Brent Morris, *The Scottish Rite Journal*

Freemasonry in Black and White May 31 2021 For too long have the norms of society found its way into Freemasonry and leading men of a Masonic Lodge, instead of the beauty of Freemasonry being taught and sending this light into the world within enlightened minds that produces a better society. The knowledge found within the walls of a lodge can make a man truly a better man within his faith, a better father, son, husband and ultimately a better man for the world. There are issues, academic and social, that are preventing this process from happening in Masonic lodges today. For centuries, a Masonic Lodge has been the place of higher learning. Kings, scholars, presidents, white collar and blue collar individuals, have all advanced the beauty that the Creator of humankind, God, has innately placed within each of us. Like the power of centripetal force, goodness revolving in the center attracts goodness to it. In America, this circular motion is stalling and causes a

regression in positive men emanating the beauty of the craft into society. Quietly, the separation of men due to the darkness of America's past hampers the liberation of each heart. A lack of the ability to invest time in each Mason, as was available in the past during the golden age of the fraternity, to instill in him the beauty of truly being a point within a circle of ALL mankind, has created a domino effect of negative repercussions that is gaining traction with the ability of masons to communicate and see masonry practiced in all parts of the world like never before. Now is the time to halt the slide and get back to the foundation and intent of the craft. No longer can we quietly hide behind the long existing reverence and mystic of the craft and hope the social issues that led to a division of men, and the lack of holding each Brethren accountable of the responsibility to Master the Craft and being truly declared a Master Builder, will quietly be held to a minimum until the Fraternity recovers by a hopeful influx of new inventive minds. These men are already here entering our lodges seeking light and finding the old ideas working against new ones. Traditions founded out of practice and not of ancient usage and logic guarding the door of true spiritual growth. Men seeking knowledge should not be outcasts within the minority. There does exist Masonic Grand Lodges that are proactive in these departments, but they are not enough. If we are to continue to produce men that are to lead society into the beautiful humanity that God intends, and that our ancient knowledge was designed to induce, we must all be on one accord. There can be no waves in the ocean if the planet wasn't moving. The waves of the ocean transport energy around the world. I have always been a wave, but with insight of experience and knowledge gained through proper tutoring and research, I am a wave with a purpose as well. This book is the baring of my thoughts, mistakes and ultimately- my clarity of mind and spirit. This book is my story, my ideas, and my vision to a better social climate within the Fraternity. It is my humble experience in Black and White.

Advanced Meditations on Masonic Symbolism Aug 22 2020 While Freemasonry does not promote any particular religion, it leaves the choice of religion to the discretion of each Mason. Bearing a close relationship to Hermetic philosophy, Freemasonry uses symbols of tools to impart ancient truths about man's relationship to God. Advanced Meditations on Masonic Symbolism continues from where Meditations on Masonic Symbolism ended and explores the practical application of various philosophies to everyday life. Freemasonry seeks to remind mankind about its better nature. If you wish to know the Mason's secrets about happiness, faith, hope and charity, you will learn them here. If you care to learn how men thousands of years ago met the challenges they faced in their daily lives, you will find this book enlightening. If you care to know how you can improve yourself in all aspects of your own life, you will find the answers as you explore the advanced lessons concealed within Masonic symbolism.

Born in Blood Apr 17 2020 Its mysterious symbols and rituals had been used in secret for centuries before Freemasonry revealed itself in 1717. But where had this powerful organization come from and why had Freemasonry been attacked by the Roman Catholic Church? Robinson answers those questions and more.

Universal Masonic Library Sep 22 2020

The Secret Temple Jun 19 2020 What are the roots of American Freemasonry? What do Freemasons know and acknowledge about the history of their society? What truth is there in the legends of Masonic origins in the fabled Knights Templar ... or the ancient Egyptian mysteries? What is the Mason-Mormon connection? Were Masons involved in the American Revolution and, if so, in what way? Is it possible to unlock the secrets of the Masonic code? Does America have a secret history? Readers will come away from Peter Levenda's thorough and engagingly written book with many of the answers to these questions about Freemasonry, the fraternal organization that has risen from obscure roots to boasting a worldwide membership of more than 5 million people. Freemasonry is thus a large subject, and Levenda's study provides a history of the Society, highlighting important events, and including some of the more controversial and newsworthy aspects (rumors of satanic rites and nefarious plots) of an organization that boasted George Washington, Benjamin Franklin, Paul Revere, Samuel Adams and so many other Founding Fathers as members. Masonic elements to be found in Washington. This is the perfect guide for anyone who wants to delve a little deeper into the mysteries of, and answers behind, Freemasonry.
