Follow the line on a journey from the city to the country, from the sky to the ocean, from morning till night. Laura Ljungkvist uses her trademark continuous line style to create the perfect counting book for young children. Each scene contains questions designed to get children looking, counting, and thinking. For example, in the underwater picture, children can count seashells, turtles, and the legs on an octopus. Each page is packed with colorful, artful objects and animals—and young counters can follow the line from the front cover to the back cover, through each stunning scene. L'autore propone un metodo scientifico utile ai docenti per misurare con precisione le capacità di apprendimento di ogni studente e la quantità dei contenuti che ha imparato, assegnando ai due aspetti di valutazione un valore oggettivo. Partendo dall'esperienza di applicazione del metodo ai bambini in età scolare, l'autore dimostra come esso possa essere applicato anche a studenti delle università. Il testo è diviso in due parti: nella prima è illustrato il lavoro preliminare di ricerca seguito da un'esposizione più specifica del metodo e dei suoi principi teorici. La seconda parte ha un contenuto pratico nella quale sono indicati i criteri di valutazione dei test, suddivisi nelle principali materie all'epoca studiate nei college americani. L'opera è il risultato del lavoro di ricerca sperimentale condotto dall'autore grazie al quale ha conseguito il suo secondo titolo accademico presso l'Università della Columbia, nel 1922. (Applause Books). It is hard to believe that over 25 years have passed since A Chorus Line first electrified a New York audience. The memories of the show's birth in 1975, not to mention those of its 15-year-life and poignant death, remain incandescent and not just because nothing so exciting has happened to the American musical since. For a generation of theater people and theatergoers, A Chorus Line was and is the touchstone that defines the glittering promise, more often realized in legend than in reality, of the Broadway way. This impressive book contains the complete book and lyrics of one of the longest running shows in Broadway history with a preface by Samuel Freedman, an introduction by Frank Rich and lots of photos from the stage production. Offers instructions on sewing an A-line skirt, shares alternative projects made from the same pattern, and discusses the equipment needed to create them. A fascinating insight into the untold story of how British-French rivalry drew the battle-lines of the modern Middle East. In 1916, in the middle of the First World War, two men secretly agreed to divide the Middle East between them. Sir Mark Sykes was a visionary politician; François Georges-Picot a diplomat with a grudge. They drew a line in the sand from the Mediterranean to the Persian frontier, and together remade the map of the Middle East, with Britain's 'mandates' of Palestine, Transjordan and Iraq, and France's in Lebanon and Syria. Over the next thirty years a sordid tale of violence and clandestine political manoeuvring unfolded, told here through a stellar cast of politicians, diplomats, spies and soldiers, including T. E. Lawrence, Winston Churchill and Charles de Gaulle. Using declassified papers from the British and French archives, James Barr vividly depicts the covert, deadly war of intrigue and espionage between Britain and France to rule the Middle East, and reveals the shocking way in which the French finally got their revenge. 'The very grubby coalface of foreign policy ... I found the entire book most horribly addictive' Independent 'One of the unexpected responses to reading this masterful study is amazement at the efforts the British and French each put into undermining the other' The Spectator Con artist Austin Shaw's been in disguise so long he's not sure where his fake identities end and he begins. Now that he's been strong-armed into working for a specialized undercover unit working with the Chicago police—criminals with unique “skills”—the last thing he needs is to risk his iron control. Especially when it comes to a certain stunningly sexy hacker who tempts him with every look of disdain. Polly Banks will never, ever trust a con man. On the trail of a ruthless crook who destroyed the only family she's ever known, Polly is unnerved by the shadow who follows her every move. The one who makes her pulse pound and breath short with lust. Austin. He's infuriating, enigmatic, and pure sex appeal, and she's determined to resist him. But an untrustworthy man of disguise can become anyone he wants...including a man that Polly must trust if she's to escape their dangerous game alive. Each book in the Crossing the Lines series is a standalone, full-length story that can be enjoyed out of order. Series Order: Prequel Novella: His Risk to Take Book .5: Riskier Business Book 1: Risking it All Book 2: Up In Smoke Book 3: Boiling Point Book 4: Raw Redemption Beginning-intermediate level. for those with a desire to learn to play from lead sheets and unlock the mysteries of music harmony, this book will lead you on the way to playing by ear. A marvelous teaching manual for classroom, private teaching, or self-instruction. Playing well from written arrangements is an art that requires years of training and practice. Learning music harmony and theory provides a musician with understanding necessary to play creatively by ear. Learning to play from melody lines and chord symbols is imperative to round out one's progress toward becoming a full fledged musician. It is an exciting adventure, not complicated if one learns it through a logical sequence of study material. This book will surprise and delight you, providing hundreds of hours of pleasure as you learn. Many songs are included that make crystal clear the text as it is presented step by step. To the uninitiated, Savannah shows only her bright face and genteel manner. Those who know her well, though, can see beyond her colonial trappings and small-city charm to a world where witchcraft is respected, Hoodoo is feared, and spirits linger. Mercy Taylor is all too familiar with the supernatural side of Savannah, being a member of the most powerful family of witches in the South. Despite being powerless herself, of course. Having grown up without magic of her own, in the shadow of her talented and charismatic twin sister, Mercy has always thought herself content. But when a series of mishaps--culminating in the death of the Taylor matriarch--leaves a vacuum in the mystical underpinnings of Savannah, she finds herself thrust into a mystery that could shake her family apart...and unleash a darkness the line of Taylor witches has been keeping at bay for generations. Story Brooks' fiancé just called off their wedding two weeks before the happy day. As if that isn't bad enough, her semi-estranged father, an infamous NYPD hostage negotiator, just suffered a heart attack. Not wanting to examine her lack of emotion over the broken engagement, she hops on a plane to reconnect with her father before it's too late. Playboy hostage negotiator Daniel Chase has never—not once—been refused by a woman. So when a debate over hospital snack foods with a delectable kindergarten teacher ends in flat-out rejection, he makes it his mission to seduce her. His only obstacle? She's the daughter of his mentor, who implicitly forbade Daniel from pursuing her. Despite her father's warnings and Daniel's troubled past, Daniel and Story can't resist their intense attraction to one another. But when the reason for her fiancé's abrupt wedding cancellation comes to light, can Story and Daniel's already forbidden relationship survive? Each book in the Line of Duty series is STANDALONE: * Protecting What's His * Officer Off Limits * Asking for Trouble * Staking His Claim * Protecting What's Theirs The instant New York Times bestseller Remarkable lessons in leadership and team building from one of the greatest football coaches of our time. Urban Meyer has established himself as one of the elite in the annals of his sport, having lead his players to three national championships. In Above the Line, he offers readers his unparalleled insights into leadership, team building, and the keys to empowering people to achieve things they might never have thought possible. Meyer shares his groundbreaking game plan—the game plan followed every day in the Ohio State Buckeyes' championship season—for creating a culture of success built on trust and a commitment to a common purpose. Packed with real life examples from Meyer's storied career, Above the Line delivers wisdom and inspiration for taking control and turning setbacks into victories for a team, a family, or a Fortune 500 company. British intelligence operative and hardened assassin, Max McLean, battles a nightmarish enemy in this stunning debut thriller from an award winning war correspondent. When it comes to killing terrorists British intelligence has always had one man they could rely on, Max McLean. As an assassin, he's never missed, but Max has made one miscalculation and now he has to pay the price. His handlers send him to Sierra Leone on a seemingly one-way mission. What he finds is a horror from beyond his nightmares. Rebel forces are loose in the jungle and someone or something is slaughtering innocent villagers. It's his job to root out the monster behind these abominations, but he soon discovers that London may consider him the most disposable piece in this operation. Connor Bannon is supposed to be dead. Dishonorably discharged from the Navy SEALs, he's spent the last two years working as a street enforcer in Brooklyn for his cousin's crime ring. Through a twist of fate, he's now in Chicago, working undercover to bust criminals. But when a cute little arsonist joins the team—all combat boots, tiny jean shorts, and hot-pink hair—Connor's notorious iron control slips. Erin "she's getting away" O'Dea knows two things. She hates authority. And... Nope, that's it. When she's forced to operate on the

"right" side of the law, her fear of being confined and controlled blazes to the surface. The last thing she expects is a control freak like Connor to soothe her when she needs it most. Worse, something behind the sexy ex-soldier's eyes ignites a dangerous inferno of desire. One that invites Erin to play with fire. And one that could get them both killed... Each book in the Crossing the Lines series is a standalone, full-length story that can be enjoyed out of order. Series Order: Prequel Novella: His Risk to Take Book .5: Riskier Business Book 1: Risking it All Book 2: Up In Smoke Book 3: Boiling Point Book 4: Raw Redemption The instant New York Times bestseller, "A must-read for anyone who thinks 'build a wall' is the answer to anything." --Esquire For Francisco Cantú, the border is in the blood: his mother, a park ranger and daughter of a Mexican immigrant, raised him in the scrublands of the Southwest. Haunted by the landscape of his youth, Cantú joins the Border Patrol. He and his partners are posted to remote regions crisscrossed by drug routes and smuggling corridors, where they learn to track other humans under blistering sun and through frigid nights. They haul in the dead and deliver to detention those they find alive. Cantú tries not to think where the stories go from there. Plagued by nightmares, he abandons the Patrol for civilian life. But when an immigrant friend travels to Mexico to visit his dying mother and does not return, Cantú discovers that the border has migrated with him, and now he must know the whole story. Searing and unforgettable, *The Line Becomes a River* goes behind the headlines, making urgent and personal the violence our border wreaks on both sides of the line A story without words in which a little girl has fun with a line drawn by a pencil. "The story of two dedicated women, a labor organizer and an immigrant laundry worker, coming together to spearhead an audacious campaign to unionize one of the most dangerous industries in one of the most anti-union states-Arizona-and offering a nuanced look at the modern-day labor movement and the future of workers' rights"-- The New York Times bestselling author of the brilliantly inventive *The Word Is Murder* and *The Sentence Is Death* returns with his third literary whodunit featuring intrepid detectives Hawthorne and Horowitz. "Horowitz is a master of misdirection, and his brilliant self-portrayal, wittily self-deprecating, carries the reader through a jolly satire on the publishing world." —Booklist When Ex-Detective Inspector Daniel Hawthorne and his sidekick, author Anthony Horowitz, are invited to an exclusive literary festival on Alderney, an idyllic island off the south coast of England, they don't expect to find themselves in the middle of murder investigation—or to be trapped with a cold-blooded killer in a remote place with a murky, haunted past. Arriving on Alderney, Hawthorne and Horowitz soon meet the festival's other guests—an eccentric gathering that includes a bestselling children's author, a French poet, a TV chef turned cookbook author, a blind psychic, and a war historian—along with a group of ornery locals embroiled in an escalating feud over a disruptive power line. When a local grandee is found dead under mysterious circumstances, Hawthorne and Horowitz become embroiled in the case. The island is locked down, no one is allowed on or off, and it soon becomes horribly clear that a murderer lurks in their midst. But who? Both a brilliant satire on the world of books and writers and an immensely enjoyable locked-room mystery, *A Line to Kill* is a triumph—a riddle of a story full of brilliant misdirection, beautifully set-out clues, and diabolically clever denouements. From much-lauded artist Laura Ljungkvist, whose *Follow the Line* series earned praise for its clean, Scandinavian style and ingenious premise, comes a playful board book perfect for the toddler and pre-K set, and sure to please parents who are fans of modern design. Starting on the front cover, and winding its way across each page to the end, a single line forms different shapes that demonstrate opposites ("clean" or "messy") in Ljungkvist's signature modern style. Children can follow the playful and ingenious line, which winds its way across brightly colored and patterned pages, till it ultimately forms "you" and "me," for a warmly charming ending. Laura Ljungkvist has developed a fan base as the author and illustrator of numerous children's titles, including the award-winning series *Follow the Line* (Viking, 2006-2011), *Pepi Sings a New Song* (Beach Lane, 2010) and, most recently, as the illustrator of *Mem Fox's Yoo-Hoo, Lady Bug* (Beach Lane, 2013). An experimental and analytical study has been made of some features of the turbulent heat diffusion behind a line heated wire stretched perpendicular to a flowing isotropic turbulence. The mean temperature distributions have been measured with systematic variations in wind speed, size of turbulence producing grid, and downstream location of heat source. The nature of the temperature fluctuation field has been studied. A comparison of Lagrangian and Eulerian analyses for diffusion in a nondecaying turbulence yields an expression for turbulent-heat-transfer coefficient in terms of turbulence velocity and a Lagrangian "scale." A convenient form has been deduced for the criterion of interchangeability of instantaneous space and time derivations in a flowing turbulence. 2013 Reprint of 1947 Edition. Exact facsimile of the original edition, not reproduced with Optical Recognition Software. In this title Kandinsky analyzed the geometrical elements which make up every painting—the point and the line. He called the physical support and the material surface on which the artist draws or paints the basic plane, or BP. He did not analyze them objectively, but from the point of view of their inner effect on the observer. A point is a small bit of color put by the artist on the canvas. It is neither a geometric point nor a mathematical abstraction; it is extension, form and color. This form can be a square, a triangle, a circle, a star or something more complex. The point is the most concise form but, according to its placement on the basic plane, it will take a different tonality. It can be isolated or resonate with other points or lines. A line is the product of a force which has been applied in a given direction: the force exerted on the pencil or paintbrush by the artist. The produced linear forms may be of several types: a straight line, which results from a unique force applied in a single direction; an angular line, resulting from the alternation of two forces in different directions, or a curved (or wave-like) line, produced by the effect of two forces acting simultaneously. The book contains many photographic examples and drawings from Kandinsky's works which offer the demonstration of its theoretical observations, and which allow the reader to experience the inner effect of the point and line to plane. "There are no lines in nature; lines are always the expression of human actions, perception and design. Lines divide or connect; they are sometimes static and sometimes gestural and full of movement; they represent and create forms in space and time. The essays in this volume elucidate the semantic and conceptual depth of the line in European, Asian and Islamic cultures and reveal the continuity and transformation of the line over the course of centuries as a constitutive element in architecture, art and writing and as a medium of expression in choreography and scientific and technological fields"--Publisher's website. *Line and Scribble* is a picture book that celebrates imagination and friendship through simple shapes. *Line and Scribble* do things differently. *Line* goes straight while *Scribble* wanders. *Line* walks a tightrope as *Scribble* bursts into fireworks. *Line* likes to draw with a ruler, and *Scribble*, well . . . doesn't. But no matter how different they may seem, *Line and Scribble* always have enough in common to be best friends. • A friendship story that embraces differences instead of competing • Emphasizes how imagination, creativity, and art can change how we see the world—and each other • Promotes visual literacy, recognition, and learning to make connections From constellations to roller coasters and breadsticks to bubbles, *Line and Scribble* shows how the two can come together to create beautiful, moving, and delightfully unexpected results. This sweet book brims with opportunities for young readers to engage with the building blocks of familiar shapes (lines, circles, squiggles), as well as spotting opposites and differences. • Harold and the Purple Crayon meets Press Here in this highly visual, effortlessly imaginative friendship story. • Resonates year-round as a go-to new gift for birthdays and holidays • Perfect for children ages 3 to 5 years old • Makes a great pick for parents and grandparents, as well as librarians and teachers. • You'll love this book if you love books like *Mouse Paint* by Ellen Stoll Walsh, *I'm NOT just a Scribble . . .* by Diane Alber, and *Eraser* by Anna Kang. Eccentric private eye Charlie Waldo is back in another wildly fun and fast-paced thriller lampooning Southern California. Former LAPD detective Charlie Waldo was living in solitude deep in the woods, pathologically committed to owning no more than one hundred possessions, until his PI ex-girlfriend Lorena dragged him back to civilization to solve a high-profile Hollywood murder. Now Waldo and Lorena have their hands full with a new client, a wild and privileged L.A. teenager named Stevie Rose who tells lies as easily as she breathes. When the teacher Stevie claims seduced her turns up dead, the LAPD pegs her as the prime suspect. Then Stevie disappears, and her self-involved Hollywood parents turn to Waldo to find her—a task that draws him down into Orange County's dangerous and complex worlds, both opulent and seedy, where nothing is as it seems. With treachery and deception at every turn, and with Waldo's eco-obsessed rules for living complicating his already complicated relationship with Lorena, Waldo fends off enemies old and new as he races to find Stevie and solve the murder. "Report of the Dominion fishery commission on the fisheries of the province of Ontario, 1893", issued as vol. 26, no. 7, supplement. Factory you shall never have my soul I am here And I count for so much more than you And I count so much more because of you Thanks to you Unable to find work in his field, Joseph Ponthus enlists with a temp agency and starts to pick up casual shifts in the fish processing plants and abattoirs of Brittany. Day after day he records with infinite precision the nature of work on the production line: the noise, the weariness, the dreams stolen by the repetitive nature of exhausting rituals and physical suffering. But he finds solace in a life previously lived. Shelling prawns, he dreams of Alexandre Dumas. Pushing cattle carcasses, he recalls Apollinaire. And, in the grace of the blank spaces created by his insistent return to a new line of text – mirroring his continued return to the production line – we discover the woman he loves, the happiness of a Sunday, Pok Pok the dog, the smell of the sea. In this French bestseller, translated by Stephanie Smee, Ponthus captures the mundane, the beautiful and the strange, writing with an elegance and humour that sit in poignant contrast to the blood and sweat of the factory floor. On the Line (*À la ligne*) is a poet's ode to manual labour, and to the human spirit that makes it bearable. Winner of: Grand Prix RTL-Lire, Prix Régine Deforges, Prix Jean Amila-Meckert, Prix du premier roman des lecteurs des bibliothèques de la Ville de Paris, Prix Eugène Dabit du roman populiste 'From the uniformity and repetition of the production line Joseph Ponthus finds humour, grace and humanity. A unique and deeply affecting novel.' —Ryan O'Neill *Draw the Line* is a powerful picture book about forgiveness from Kathryn Otoshi, author of the bestselling book *One*. When two boys draw their own lines and realize they can connect them together—magic happens! But a misstep causes their lines to get crossed. Push! Pull! Tug! Yank! Soon their line unravels into an angry tug-of-war. With a growing rift between them, will the boys ever find a way to come together again? Acclaimed author/illustrator Kathryn Otoshi uses black and white illustrations with thoughtful splashes of color to create a powerful, multi-layered statement about friendship, boundaries, and healing after conflict. A Kirkus Reviews Best Picture Book of 2017 One of the biggest stars in tennis, Serena Williams has captured every major title. Her 2009 Australia Open championship earned her the #1 world ranking for the third time in her illustrious career - and marked only the latest exclamation point on a life well and purposefully lived. As a young girl, Serena began training with an adult-sized racquet that was almost as big as her. Rather than dropping the racquet, Serena saw it as a challenge to overcome-and she has confronted every obstacle on her path to success with the same unflinching spirit. From growing up in the tough, hardscrabble neighborhood of Compton, California, to being trained by her father on public tennis courts littered with broken glass and drug paraphernalia, to becoming the top women's player in the world, Serena has proven to be an inspiration to her legions of fans both young and old. Her accomplishments have not been without struggle: being derailed by injury, devastated by the tragic shooting of her older sister, and criticized for her unorthodox approach to tennis. Yet somehow, Serena always manages to prevail. Both on the court and off, she's applied the strength and determination that helped her to become a champion to successful pursuits in philanthropy, fashion, television and film. In this compelling and poignant memoir, Serena takes an empowering look at her extraordinary life and

what is still to come. An accessible guidebook designed to teach and inspire, Art Starts with a Line offers everything you need to master the art of line drawing, whether the goal is to draw for fun or to illustrate an original masterpiece! Line drawing involves using a combination of fine lines and bold strokes to create artwork of any kind—from basic folk art to more sophisticated illustrations. This form of art requires minimal tools, making it both affordable and portable. In Art Starts with a Line, artists of all skill levels are invited to learn how to draw almost anything starting with simple lines and basic shapes. Following a brief introduction to tools and materials, as well as some easy exercises and techniques for warming up to basic drawing tools, you will explore a variety of subjects. You'll draw plants and flowers, architecture and cityscapes, animals, and everything in between. These projects aren't restricted to black and white either! You'll find techniques for adding color with colored pencil, marker, pen, even digitally. Art Starts with a Line presents everything you'll need to know to learn how to successfully create line drawings of all types. Whether your goal is to create a custom logo for a client, or to simply decorate your planner—it's all here. Packed with engaging instruction, tips, and beautiful step-by-step artwork, the Art Starts Series presents an approachable and heartwarming guide to line drawing designed to both inspire and teach beginning artists how to create meaningful artwork using simple lines and mindful prompts. Includes the reports of the Auditor, City Clerk, Engineering Dept., Fire Dept., Board of Health, Dept. of Parks, Board of Overseers of the Poor, Free Public Library, School Committee, Superintendent of Streets, and Water Board.
