As a young adult, you will face crucial questions about identity, education, marriage, career, God's will, and much more. Some of the most dramatic and permanent changes in life will occur during the "critical decade"—those ten years between 16 and 26. Are you prepared to make the right choices? You can be. Like a trusted friend who understands, Dr. James Dobson candidly addresses the issues that today's young adults face. In his warm, conversational style, he reveals principles to help you make right choices and get the direction you need in order to look forward to a bright and successful future. The Strong-Willed Child - Leader Kit by Dr. James Dobson helps leaders facilitate this parenting Bible study experience and contains all that is needed to conduct the four sessions of small group time. A long-trusted friend of families, Dr. Dobson offers parents of sons a guidebook through the land of testosterone by providing an improved view of masculinity, which has been so distorted in our culture. He also helps you learn how to teach your boys to make wise choices, and he pays attention to the importance of both mother and father's influence in molding the character of their son. Kit Includes: Member Book One DVD with clips from Dr. James Dobson and Ryan Dobson teaching Features: 5-7-minute video teaching clip per session from Dr. James Dobson and Ryan Dobson Biblically rooted content Leader material guides to questions and discussion with small group Personal reflection and study segments to use in between group sessions 4-session Member Book with group and personal component; optional 5th session Author: Dr. James Dobson is the Founder and President of Family Talk, a non-profit organization that produces his radio program, "Dr. James Dobson's Family Talk." He is the author of more than 80 books dedicated to the preservation of the family, including The New Dare to Discipline, Love for a Lifetime, Life on the Edge, Love Must Be Tough, The New Strong-Willed Child, When God Doesn't Make Sense, Bringing Up Boys, and Bringing Up Girls. Compiles three previously published works that discuss the

author's approach to parenting, strategies for disciplining difficult children, and tips for dealing with the problems that children face. It's easy to recognize a strong-willed child. Difficult to discipline, at times impossible to motivate, strong-willed children present unique, frustrating, and often exhausting challenges to those who care for them. But now, the miracle parents long for can happen. Offering new hope, achievable goals, and a breath of fresh air to families and teachers, Cynthia Tobias explains how the mind of a strong-willed child works - and how to use that information to the child's best advantage. From the Hardcover edition.

When a mother's journey begins, one is venturing into the unknown. It's hard to imagine what this tiny little baby will be as an adult. My journey was difficult, heart-wrenching, and laborious and yet joyful, worth every tear and strife. My child seemed impossible to me, but God chose me to be the mother of this impossible child. And what we deem impossible, God makes possible (Luke 18:27).

In *The Impossible Kid*, relationship coach and pastor's wife Lucille Williams writes an exceptionally honest and funny account of parenting a strong-willed child. Through 11 entertaining chapters, this book provides practical tools for parents to sow seeds of encouragement in their kids as they aspire to raise adults who reflect the nature and character of God. Endorsed by Dr. Gary Smalley, *The Impossible Kid* is an encouraging and informative read, covering topics including family dysfunctions, feeling like an inadequate parent, creative and effective discipline, parenting with integrity, the dreaded sex talk, learning to laugh together, and keeping God as the focal point in the home. Most parents have difficulties striking the right balance between being too permissive and too restrictive. A veteran educational psychologist, Dr. Robert MacKenzie has the answer. His three-step approach to training children ages two through 17 helps parents teach their child how to make acceptable choices and to truly understand the consequences of unacceptable behavior. Here's sensible advice

and caring encouragement on raising boys from the nation's most trusted parenting authority, Dr. James Dobson. With so much confusion about the role of men in our society, it's no wonder so many parents and teachers are asking questions about how to bring up boys. Why are so many boys in crisis? What qualities should we be trying to instill in young males? Our culture has vilified masculinity and, as a result, an entire generation of boys is growing up without a clear idea of what it means to be a man. In the runaway bestseller *Bringing Up Boys*, Dr. Dobson draws from his experience as a child psychologist and family counselor, as well as extensive research, to offer advice and encouragement based on a firm foundation of biblical principles. Does it sometimes feel like your child's moods are controlling you? Have you ever been embarrassed in public by your kids' behavior, but weren't sure how to handle it? Do you long for a more calm and peaceful home, without yelling and fighting? This is the book for you! In *Temper Your Child's Tantrums*, parenting expert Dr. James Dobson offers the essential keys to correcting a child in a firm, loving, and understanding way. With an introduction by William Bennett. Includes index. With more than one million copies sold, *When God Doesn't Make Sense* is an immensely practical book for those who are struggling with trials and heartaches they can't understand. Why does disease, natural disaster, divorce, rejection, death, or some other sorrow seep into our lives when we are trying to serve the Lord? It just doesn't seem fair! This book deals unflinchingly with life's most troubling question—"Why?" Drawing on his long experience as a Christian psychologist and family counselor, Dr. Dobson brings hope to those who have almost given up. *When God Doesn't Make Sense* also helps believers avoid the "betrayal barrier"—the sense that God is abandoning them amid the storms of life. Now with a new foreword by R. T. Kendall. Dr. Dobson offers advice to frustrated parents on ways to handle child-rearing responsibilities with self-confidence. He deals with the contest of wills between

generations, with the perils of adolescence, and with the pervasive problem of parental burnout. This book illustrates the simple pleasures of raising boys. Powerful kids don't just happen. They're created. Whether loud and temperamental, quiet and sensitive, or stubborn and manipulative, powerful children can make living with them a challenge. But it doesn't have to be that way. All children need to face the realities of life, and the best place for them to do so is in the safe place of their home. For all the parents out there at their wits' end, New York Times bestselling author Dr. Kevin Leman offers a fail-safe action plan for redirecting power surges into positive traits that will prepare the powerful child for a successful, happy, productive adult life. Parents will learn how powerful children are created, what makes them tick, what makes them explode, and what they can do to change the power plays . . . for the good of the entire family. All it takes is determination, persistence, willpower, and advice that works--guaranteed. A groundbreaking parenting guidebook addressing the trait of "high sensitivity" in children, from the psychologist and bestselling author of *The Highly Sensitive Person* whose books have sold more than 1 million copies With the publication of *The Highly Sensitive Person*, pioneering psychotherapist Dr. Elaine Aron became the first person to identify the inborn trait of "high sensitivity" and to show how it affects the lives of those who possess it. In *The Highly Sensitive Child*, Dr. Aron shifts her focus to the 15 to 20 percent of children who are born highly sensitive—deeply reflective, sensitive to the subtle, and easily overwhelmed. These qualities can make for smart, conscientious, creative children, but also may result in shyness, fussiness, or acting out. As Dr. Aron shows in *The Highly Sensitive Child*, if your child seems overly inhibited, particular, or you worry that they may have a neurodevelopmental disorder, such as ADHD or autism, they may simply be highly sensitive. And raised with proper understanding and care, highly sensitive children can grow up to be happy, healthy, well-adjusted adults.

Rooted in Dr. Aron's years of experience working with highly sensitive children and their families, as well as in her original research on child temperament, *The Highly Sensitive Child* explores the challenges of raising an HSC; the four keys to successfully parenting an HSC; how to help HSCs thrive in a not-so-sensitive world; and how to make school and friendships enjoyable. With chapters addressing the needs of specific age groups, from newborns to teens, *The Highly Sensitive Child* is the ultimate resource for parents, teachers, and the sensitive children in their lives. In this fully revised and expanded second edition, *Setting Limits* author Robert MacKenzie is back with even more time-proven methods for dealing with misbehavior and creating positive, respectful, and rewarding relationships with children prone to acting out and disobedience. Disruptive misbehavior, constant power struggles, manipulative or aggressive behavior--the challenges facing parents and teachers of strong-willed children can seem overwhelming at times. That's why thousands of parents and educators have turned to the solutions in *Setting Limits With Your Strong-Willed Child*. This revised and expanded second edition offers the most up-to-date alternatives to punishment and permissiveness--moving beyond traditional methods that wear you down and get you nowhere, and zeroing in on what really works so parents can use their energy in more efficient and productive ways. With fully updated guidelines on parenting tools like "logical consequences," and examples drawn directly from the modern world that children deal with each day, this is an invaluable resource for anyone wondering how to effectively motivate strong-willed children and instill proper conduct. From the Trade Paperback edition. Bridge the gap between how you thought you'd parent and how you're actually parenting now with the tools and inspiration found in this supportive guide. You swore you were going to raise your kids differently . . . so why are your parents' words coming out of your mouth? We all want happiness and success for our children

throughout their lives. The worry of screwing up the people you love the most is attached to the thought that your behavior will possibly hinder their future state of being. You want the world for them. The Parent Gap shows how to change the patterns from your own childhood you intended to bury—allowing you to access in the heat of the moment that file in your brain with all those parenting tools you took the time to learn. As you close the parenting gap, you will be able to show up as the level-headed adult you truly want to be in your life and especially with your kids. Your confidence and clarity will shine brightly on the fact that you will be sending them off into the world with a rock solid foundation. Using real life stories and practical depictions, The Parent Gap combines the teachings of Dr. Shefali Tsabary, Brené Brown, and Martha Beck with a real-life, down-in-the-trenches parent perspective to create a fun and insightful read. Start

Setting Effective Limits — Now! Do your children misbehave? Do they repeatedly ignore or refuse your requests for proper behavior? Are you constantly fluctuating between permissive and authoritarian parenting, with little or no success? Are you convinced there has to be a better way? There is. Setting Limits will help you establish the positive, respectful, and instructional groundwork your children need for proper ethical and behavioral development In this revised and expanded edition of his popular book, Robert MacKenzie, Ed.D., demonstrates proven techniques and procedures that not only correct misbehavior but instill the cooperation and conduct you want and expect from your children. This book shows parents how to:

- Enforce clear, firm, and effective boundaries
- Put an end to conflicts and power struggles
- Establish rules that encourage cooperation
- Teach children important problem-solving skills
- Apply logical consequences of misbehavior

Children need limits to guide their development. With MacKenzie's expert guidance, you will learn how to build and enforce the instructive boundaries necessary for a happy and rewarding family life. In this instant New York Times bestseller,

Angela Duckworth shows anyone striving to succeed that the secret to outstanding achievement is not talent, but a special blend of passion and persistence she calls “grit.” “Inspiration for non-geniuses everywhere” (People). The daughter of a scientist who frequently noted her lack of “genius,” Angela Duckworth is now a celebrated researcher and professor. It was her early eye-opening stints in teaching, business consulting, and neuroscience that led to her hypothesis about what really drives success: not genius, but a unique combination of passion and long-term perseverance. In *Grit*, she takes us into the field to visit cadets struggling through their first days at West Point, teachers working in some of the toughest schools, and young finalists in the National Spelling Bee. She also mines fascinating insights from history and shows what can be gleaned from modern experiments in peak performance. Finally, she shares what she’s learned from interviewing dozens of high achievers—from JP Morgan CEO Jamie Dimon to New Yorker cartoon editor Bob Mankoff to Seattle Seahawks Coach Pete Carroll. “Duckworth’s ideas about the cultivation of tenacity have clearly changed some lives for the better” (The New York Times Book Review). Among *Grit*’s most valuable insights: any effort you make ultimately counts twice toward your goal; grit can be learned, regardless of IQ or circumstances; when it comes to child-rearing, neither a warm embrace nor high standards will work by themselves; how to trigger lifelong interest; the magic of the Hard Thing Rule; and so much more. Winningly personal, insightful, and even life-changing, *Grit* is a book about what goes through your head when you fall down, and how that—not talent or luck—makes all the difference. This is “a fascinating tour of the psychological research on success” (The Wall Street Journal). Is a willful little darling driving you to distraction? *The New Strong-Willed Child* is the resource you need—a classic bestseller completely rewritten, updated, and expanded for a new generation of parents and teachers. Challenging as they are to raise, strong-willed children

can grow up to be men and women of strong character—if lovingly guided with understanding and the right kind of discipline. Find out what Dr. James Dobson, today’s most trusted authority on parenting, has to say about what makes strong-willed children the way they are; shaping the will while protecting the spirit; avoiding the most common parenting mistake; and much more. If you are struggling to raise and teach children who are convinced they should be able to live by their own rules, *The New Strong-Willed Child* is a must-read! (This new edition is part of Dr. James Dobson’s Building A Family Legacy initiative.)

Your Strong Will Is God’s Will! As a strong-willed woman, you meet the world head-on, undeterred by those who say something can’t be done. When applied in the right ways, your God-given passion produces clear-eyed purpose, deep compassion, and a bold spirit that can change the world. But sometimes your determination leads to misunderstandings and fractured relationships. Cynthia Tobias knows firsthand the positive potential of a strong will channeled appropriately. In *A Woman of Strength and Purpose*, she offers practical strategies for applying your confidence and drive to enrich your friendships, career, ministry, marriage, and parenting. You’ll also hear from hundreds of other women who share your strong will and the desire to use it for God. You don’t need to silence your strengths. Instead, let God use them to impact your world for good. Much-needed answers to your toughest parenting questions! Why are boundaries so important? Do children really want limits set on their behavior? My spouse doesn’t seem to care about discipline; why I am I stuck being the “bad guy?” Is it okay to spank my child, or will it lead him to hit others and become a violent person? Join the millions of caring parents who have found answers in the wisdom of parenting authority and family counselor Dr. James Dobson. *The New Dare to Discipline* is a revised and updated edition of the classic bestseller, designed to help you lead your children through the tough job of growing up. This practical, reassuring guide will

teach you how to meet your children's needs of love, trust, affection—and discipline. (This new edition is part of Dr. James Dobson's Building A Family Legacy initiative.) Argues that adult success is often established in the developmental preschool years, sharing advice for parents on how to promote such success-driving positive attributes as resilience, self-regulation, and empathy. How to understand the crucial differences between a strong-willed child and a creative-sensitive child. When a young girl ventures through a hidden door, she finds another life with shocking similarities to her own. Coraline has moved to a new house with her parents and she is fascinated by the fact that their 'house' is in fact only half a house! Divided into flats years before, there is a brick wall behind a door where once there was a corridor. One day it is a corridor again and the intrepid Coraline wanders down it. And so a nightmare-ish mystery begins that takes Coraline into the arms of counterfeit parents and a life that isn't quite right. Can Coraline get out? Can she find her real parents? Will life ever be the same again? How Do You Make Sure You Raise Your Strong-Willed Child to Become the Best Version of Themselves? You Can Start by Getting This Deeply Insightful Guide! Children are both mesmerizing and frustrating creatures. Raising them requires a patience and resolve that can only be equated to, well, parenting a child. There is nothing quite like it. You look into the round, tear-filled eyes of a child and you become at a loss for words and ideas on what to do. You can read every book you could get your hands on in the nine months leading up to their birth. But nothing will prepare you for the reality of overnight feedings, constant diaper changes, and the protective urge that dominates every second of every day. Parenting a strong-willed child, most especially, makes it all the more difficult and confusing. No two children are the same and no self-help parenting book will ever be comprehensive enough to cover every inch of the child-raising terrain. Yet, there are resources where you can get targeted, highly effective tips and tricks on how to

raise a happy, healthy, strong-willed child. "Parenting a Strong-Willed Child: How to Effectively Raise High Spirited Children or Toddlers" is such a resource. And it is a treasure trove of everything you need to learn in order to give your strong-willed child the best life. Dr. Dobson offers parents practical advice on how to find more time to enjoy life, to nurture their families, and to develop a meaningful relationship with the Lord. Does parenting your strong-willed child seem impossible? Help is here! If every day is an exhausting battle of wills with your child, you're not alone. Parenting strong-willed children can often leave us feeling defeated, discouraged, and disillusioned. Instead of ending each day weary from failed attempts to win the daily battle of wills, *The Strong-Willed Mama: Surviving and Thriving Raising Strong-Willed Children* can show you how to overcome your discouragement and embrace a different path, one filled with hope and encouragement. It will provide you with the support you need to get through each day. Not only can you survive parenting, but you can also learn to thrive! Designed to transform the heart of you and your child, you'll empathize more, set clear boundaries, and extend grace. You'll embrace more playful moments, rather than fighting to gain control. Over time, you'll become less frustrated and see the strong-willed mama inside of you emerge. *The Strong-Willed Mama* will help you: Find encouragement and strength to parent a strong-willed child Recognize how your child's strong will can be a positive asset Discover your sweet spot in parenting your child Understand how to plug into an emotionally supportive community Experience true transformation for both you and your child You'll experience a life-changing shift as you lean into what God is doing, not only in your child, but also in you. Reflection questions and action steps will help you make progress in your parenting journey and respond from a place of love as you interact with your family. *The Strong-Willed Mama* offers support and encouragement to moms in the throes of raising a strong-willed child, offering assurance

that you can not only survive this parenting journey, but also thrive in the midst of it. Let *The Strong-Willed Mama* bring out the best in you and your strong-willed child. When "because I'm the parent" meets "you're not the boss of me"... Good news: there are many ways to parent willful children without everyday clashes. Here parents learn how to capitalize on children's strengths and make bad days more manageable. Full of ideas and techniques, it explores: how to use empathy first and discipline second; exercises and strategies that work to calm toddler tantrums; bringing teachers on board; raging hormones in teen rebels; and dealing with health and safety issues. -- Much more positive than other parenting books, which focus on discipline and parental control -- Helps parents understand and accept children for who they are, as well as who they can hope to be 2005 Gold Medallion Award finalist! Dr. James Dobson has completely rewritten, updated, and expanded his classic best seller *The Strong-Willed Child* for a new generation of parents and teachers. *The New Strong-Willed Child* follows on the heels of Dr. Dobson's phenomenal best seller *Bringing Up Boys*. It offers practical how-to advice on raising difficult-to-handle children and incorporates the latest research with Dr. Dobson's legendary wit and wisdom. *The New Strong-Willed Child* is being rushed to press for parents needing help dealing with sibling rivalry, adhd, low self-esteem, and other important issues. This book is a must-read for parents and teachers struggling to raise and teach children who are convinced they should be able to live by their own rules! Adrian Tchaikovsky's award-winning novel *Children of Time*, is the epic story of humanity's battle for survival on a terraformed planet. Who will inherit this new Earth? The last remnants of the human race left a dying Earth, desperate to find a new home among the stars. Following in the footsteps of their ancestors, they discover the greatest treasure of the past age - a world terraformed and prepared for human life. But all is not right in this new Eden. In the long years since the planet was abandoned, the work of its

architects has borne disastrous fruit. The planet is not waiting for them, pristine and unoccupied. New masters have turned it from a refuge into mankind's worst nightmare. Now two civilizations are on a collision course, both testing the boundaries of what they will do to survive. As the fate of humanity hangs in the balance, who are the true heirs of this new Earth?

The bestselling five-week program to improving the disruptive child's behavior--now updated and revised Based on more than 40 years of collective research, parents and longtime child behavior experts Dr. Rex Forehand and Dr. Nicholas Long have devised a program to help you find positive and manageable solutions to your child's difficult behavior. Now in a revised and updated edition, *Parenting the Strong-Willed Child* is a self-guided program for managing disruptive young children based on a clinical treatment program. This hands-on guide provides you with a step-by-step, five-week program toward improving your child's behavior as well as the entire family's relationship. Providing you with the necessary tools for successfully managing the difficult child, the book covers specific factors that cause or contribute to a child's disruptive behavior; ways to develop a more positive atmosphere in your family and home; actual reports by parents of difficult children; strategies for managing specific behavior problems; how to tell if your child might have ADHD; and more. You can Parent Like a Pro™ with Kendra and John Smiley! Readers will be familiar with Kendra's strong-willed child, Aaron, from *Aaron's Way*. Updated and refreshed, this book brings to life and light the challenges of rearing a child who wants to do things his or her own way. Resident Dad John Smiley lends his insights on the father's role in a willful child's discipline, and Aaron — now grown — adds his unique perspective.

SUB TITLE: Fortifying Our Youth and Healing Our Prodigals

The joy of a happy marriage blessed with loving, respectful children is a dream of most men and women. Traditionally, marriage has been an exclusive bond between a man and a woman. Yet in recent years this pattern has

been changing. Looking at the state of marriage today leaves no doubt that the institution is under serious attack. A crisis in child rearing has developed in part because of the crisis in marriages. So what are the keys to a happy, successful marriage and family? -- Inside this booklet: -- Marriage and Family: The Spiritual Significance -- God's Instruction Manual for Marriage -- Dating Dos and Don'ts -- Divorce-Proof Your Marriage -- Our Children: Gifts of God in a Hostile Environment -- Bringing Up a Moral Child -- A Foretaste of Tomorrow All children need guidance, yet some are definitely more resistant to parental direction and advice than others. Parenting a child whose personality may be described as "difficult" or "controlling" can leave you conflicted and frustrated. How do you nurture your child, get him to listen, and know who's in charge? It can be done. The Everything Parent's Guide to the Strong-Willed Child helps you work around stubborn and argumentative behavior. You'll learn how to encourage your child to compromise and communicate with you, rather than make unreasonable demands and/or shut down altogether. By learning what makes your child strong-willed, the effects of such behavior, and how to manage it, you can help your child achieve a more tempered disposition and teach him the lifelong rewards of a positive attitude. Psychologist Carl E. Pickhardt shows you how to: Regain control of your family Reap the benefits of healthy communication Discipline to teach, not to punish Resolve conflict between you and your child effectively Overcome willfulness in older children The Everything Parent's Guide to the Strong-Willed Child is your all-inclusive guide to regaining, and maintaining, a healthy and happy family. Through real-life example and case studies, this workbook equips parents, either individually or in a small group setting, with practical skills so that they can competently raise their strong-willed child. Many parents of strong-willed children feel inadequate or like they're doing something wrong. But this isn't true! Although strong-willed children do present a unique challenge, it is possible for

Mom and Dad to tailor parenting practices and actually enjoy their time with the kids. Written by two distinguished parenting authorities, this book offers specific advice on the serious problems that face so many parents. Finally readers can relax, as they learn how to: regain control of their family; reap the benefits of healthy communication; discipline to teach, not to punish; resolve conflict effectively; and overcome willfulness in older children. When every mealtime, bathtime, and bedtime is a struggle, discouraged parents need answers—and now they have them. With this book, parents can rest assured that they too can raise a respectful, cooperative, and pleasant child. Winner of the ECPA Book of the Year Award for Christian Living What is your calling as a parent? In the midst of folding laundry, coordinating carpool schedules, and breaking up fights, many parents get lost. Feeling pressure to do everything “right” and raise up “good” children, it’s easy to lose sight of our ultimate purpose as parents in the quest for practical tips and guaranteed formulas. In this life-giving book, Paul Tripp offers parents much more than a to-do list. Instead, he presents us with a big-picture view of God’s plan for us as parents. Outlining fourteen foundational principles centered on the gospel, he shows that we need more than the latest parenting strategy or list of techniques. Rather, we need the rescuing grace of God—grace that has the power to shape how we view everything we do as parents. Freed from the burden of trying to manufacture life-change in our children’s hearts, we can embrace a grand perspective of parenting overflowing with vision, purpose, and joy. Provides advice for Christian parents on the true meaning of femininity, how to cope with the challenges involved in raising girls, and how to bring up their daughters to be happy, healthy, and God-fearing. “I love the practical strategies and valuable insights from the hearts and lives of strong-willed kids.... You’ll definitely want to make this book part of your parenting library.” —Dr. Kevin Leman, New York Times best-selling author of *Have a New Kid by Friday* Turn Conflict

into Cooperation Many parents suspect their strong-willed child is deliberately trying to drive them crazy. Difficult to discipline and seemingly impossible to motivate, these children present unique, exhausting, and often-frustrating challenges to the those who love them. But strong will is not a negative trait. These same children have firm convictions, high spirits, a sense of adventure—all the makings of a great adult. In this book you'll discover how to channel that passion and determination in positive ways as you build a healthy relationship. Through insights gained from strong-willed people of all ages, you'll... · better understand how their minds really work. · discover positive ways to motivate your strong-willed child. · learn how to share control without compromising parental authority. · apply key tactics to survive a meltdown. · get practical tips for parents who disagree, blended families, and single parents. Packed with immediately useful strategies to drastically reduce the level of tension in the home (or in the classroom), *You Can't Make Me* shows how you can start today to build a stronger, more positive relationship with your strong-willed child. Includes... · Top Ten Tips for Bringing Out the Best in a Strong-Willed Child of Any Age · A Strong-Willed Child Emergency Kit
